RE: 2022 Frazee Business Weekly Promotion

Local Businesses – We want to hear from you!

The City of Frazee Economic Development Authority (EDA) is sponsoring a Local Business Spotlight that will be placed weekly on the City Website. Attached is a sample of what the spotlight ad will look like.

To participate we need the following information from you. With respect for your time, only a few words or a sentence (or two) are needed for each question or item. They are as follows:

- 1) How many years have you been in business?
- 2) Describe your business and what you do
- 3) What is something people may not know about your business.
- 4) Why is it important to support local business, organizations, and activities?
- 5) How can someone contact your business?
- 6) Do you have anything that you want to share (ex. Fun facts, Upcoming Events)?

To participate please e-mail or stop by City Hall and submit the responses to the above.

Staff will take your information and develop your business spotlight. We will let you know when it will be posted on the City Website.

Questions can be directed to: Andrea at secretary@frazeecity.com or phone 218-334-4991.

Thanks for your consideration to participate in a great way to promote our local businesses!
