General Updates

- a. Insurance agents from Aflac, Colonial Life and AT Group met with employees to go over coverage.
- b. Our new liquor store manager, Amanda Young, will have her first day on November 1. Tanya has graciously stayed on through October and will help Amanda with getting going her first few weeks. Thank you to Tanya for her dedication to Frazee all these years. Her knowledge and support for the liquor store is greatly appreciated.
- c. Larry and I met with Chad from Safe Assure to get the safety training program started. Chad also walked through all the city owned buildings where people work and performed a "mock OSHA inspection." He sent me a report of the items that need to be addressed. Those items will be worked on to bring them into compliance.
- d. We are moving closer to the closing on the Wannigan Regional Park property. Enclosed is the purchase agreement you saw earlier this summer. The only change was to include the official legal description as the county's general description wasn't sufficient for DNR funding.
- e. The campground is shut down for the year and is winterized. We do have one camper at the primitive, who plans to stay until construction season is completed.
- f. The bike racks arrived this week and are being stored at the shop until next spring when they will be installed.
- g. Tina reached out to the individual interested in the West Maple property and shared the sale price.

2. Financials

a. July has been completed and is in the packet for your review

- I haven't made any changes to the preliminary budget yet. I still need to meet with one department for the general budget and get the enterprise fund budgets put together.
 We'll be working on that throughout November.
