INDEPENDENT AUDITOR'S REPORT

City Council
City of Frazee

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Frazee, Minnesota, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Frazee, as of December 31, 2024, and the respective changes in financial position, and where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Frazee and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control over financial reporting relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events that raise substantial doubt about the City of Frazee's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Frazee's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used in the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered that raise substantial doubt about the City of Frazee's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified in our audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the Required Supplementary Information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Frazee's basic financial statements. The accompanying combining nonmajor fund financial are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to

Page 3

the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory section and other schedules, as listed in the table of contents, but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 15, 2025, on our consideration of the City of Frazee's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Frazee's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Frazee's internal control over financial reporting and compliance.

Hoffman, Philipp, & Martell, PLLC

MANAGEMENT'S DISCUSSION AND ANALYSIS (Unaudited)

The management of the City of Frazee offers readers of the City's Financial Statements this narrative overview and analysis of the financial activities of the City of Frazee for the fiscal year ended December 31, 2024. The Management's Discussion and Analysis provides comparisons with the previous year and is designed to focus on the current year's activities, resulting changes, and currently known facts, and should be read in conjunction with the City's basic financial statements that follow this section.

FINANCIAL HIGHLIGHTS

The total net position of governmental activities is \$7,515,246 of which \$5,349,485 is the net investment in capital assets, \$1,194,362 is restricted for economic development and debt service, and \$971,399 is unrestricted. The total net position of governmental activities decreased by \$82,830 for the year ended December 31, 2024, mainly as a result of debt service costs in excess of assessments collected and capital outlay in excess of budget.

The total net position of business-type activities is \$6,080,276, of which \$4,446,673 is the net investment in capital assets, \$300,047 is restricted for infrastructure replacement, and \$1,333,556 is unrestricted. The total net position of business-type activities increased by \$949,929 in 2024, as a result of operating income in excess of operating expenses, and a state grant received for a water infrastructure project.

At the close of 2024, the City's governmental funds reported combined ending fund balances of \$1,446,967, a decrease of \$144,191 from the prior year. Of the total fund balance amount, \$515,945 is legally or contractually restricted, \$316,967 is formally committed for specific purposes, \$65,064 is assigned for public safety and culture and recreation, and \$548,991 is noted as unassigned fund balance. Maintaining an adequate fund balance is necessary to provide City services throughout the year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements, which are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the City's finances. These statements include all assets, deferred outflows of resources, liabilities and deferred inflows of resources using the accrual basis of accounting, which is similar to the accounting used by most private-sector businesses. All of the current year's revenues and expenses are considered regardless of when cash is received or paid.

The *Statement of Net Position* presents information on all of the City's assets and deferred outflows of resources, and liabilities and deferred inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *Statement of Activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes).

In the *Statement of Net Position* and the *Statement of Activities*, we divide the City into three kinds of activities:

- **Governmental activities**—Most of the City's basic services are reported here, including general government, public safety, highways and streets, sanitation, culture and recreation, and economic development. Property taxes and intergovernmental revenues finance most of these activities.
- **Business-type activities**—The City charges fees to cover the costs of certain services it provides. Included here are the operations of the Events Center, liquor store, and the utilities – sewer, water, and storm water.
- **Component unit**—The City includes a separate legal entity in its report. The Economic Development Authority is presented in a separate column. Although legally separate, this "component unit" is important because the City is financially accountable for it.

The government-wide financial statements can be found as Exhibits 1 and 2 of this report.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Frazee, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

Governmental Funds Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, fund-level financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's short-term financing decisions. Both the *Balance Sheet – Governmental Funds* and the *Statement of Revenues, Expenditures, and Changes in Fund Balances – Governmental Funds* provide a reconciliation to facilitate the comparison between governmental funds and governmental activities.

The City reports three governmental fund types: General, Special Revenue, and Debt Service. Information is presented separately in the *Governmental Funds Balance Sheet* and in the *Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balances* for the General Fund and the Lake Street Debt Service Fund, both of which are considered to be major funds. Data from the other nonmajor governmental

funds are combined in a single, aggregated presentation. Individual fund data for each of these nonmajor funds is provided in the combining statements after the notes to the financial statements.

The City of Frazee adopts annual budgets for its General Fund. A *Budgetary Comparison Schedule* has been provided for this fund to demonstrate compliance with budgets.

Proprietary Funds The City of Frazee maintains five proprietary funds. 1) The Events Center Enterprise Fund is used to account for the operations of the City's Events Center. Financing is provided by concession sales and space rental for events. 2) The Liquor Enterprise Fund is used to account for the operations of the City's liquor store. Financing is provided through the liquor store's sale of on and off-sale liquor. 3) The Sewer Enterprise Fund is used to account for the operations of the City's sewer system. Financing is provided by charges to residents for services. 4) The Water Enterprise Fund is used to account for the operations of the City's water system. Financing is provided by charges to residents for services. (5) The Storm Water Enterprise Fund is used to account for the operations of the City's storm water system. Financing is provided by charges to residents for services. Proprietary funds provide the same type of information as the government-wide financial statements, and are included in the *Statement of Net Position* and the *Statement of Activities* as business-type activities. The Events Center, Liquor, Sewer, and Water Enterprise Funds are considered to be major funds. Data from the non-major Storm Water Enterprise Fund has been presented with the major funds.

Notes to the Financial Statements

The Notes to the Financial Statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The Notes to the Financial Statements can be found beginning on page 24 of this report.

Other information—In addition to the basic financial statements and accompanying notes, this report also presents certain *Required Supplementary Information*, as listed in the table of contents. The City also provides Supplementary and Other Information including combining statements, and a *Schedule of Intergovernmental Revenue*.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Over time, net position serves as a useful indicator of the City's financial position. The City's assets exceeded liabilities by \$13,595,522 at the close of 2024. The largest portion of the City's net position (approximately 72 percent) reflects its net investment in capital assets (i.e., land, construction in progress, infrastructure, buildings and improvements, and machinery and equipment). It should be noted that this amount is not available for future spending. Approximately 11 percent of the City's net position is restricted, and 17 percent of the City's net position is unrestricted. The unrestricted net position amount of \$2,304,955 as of December 31, 2024, may be used to meet the City's ongoing obligations to citizens.

The City's overall financial position increased from last year. Total assets increased by \$1,409,295 from the prior year due to infrastructure improvements and construction in progress. Deferred outflows of resources related to pensions decreased by \$135,698. Total liabilities increased by \$359,154 from the prior year due to the issuance of debt, and deferred inflows of resources related to pensions increased by \$47,344. This resulted in an increased net position of \$867,099 from the prior year.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements, with a focus on short-term inflows, outflows, and balances of spendable resources. In particular, unrestricted fund balance may serve as a useful measure of the City's net resources available for spending at the end of the fiscal year.

Governmental Funds

At the end of 2024, the City's governmental funds reported combined ending fund balances of \$1,446,967. Of this amount, approximately 36 percent constitutes legally or contractually restricted fund balance, approximately 22 percent constitutes formally committed fund balance, four percent constitutes specifically assigned fund balance, and 38 percent constitutes unassigned fund balance.

The General Fund is the operating fund of the City. At the end of the current fiscal year, the General Fund's total fund balance was \$1,218,814. The General Fund's committed fund balance was \$316,967, and the unassigned fund balance was \$901,847. The General Fund has no restricted or assigned fund balance. As a measure of the General Fund's liquidity, it is useful to compare total fund balance to total fund expenditures for 2024. Total fund balance represents 72 percent of total General Fund expenditures. In 2024, the fund balance amount in the General Fund increased by \$10,948, mainly due to proceeds from issuance of debt for the Town Lake Beach House and the East Main Street project.

The fund balance of the Lake Street Debt Service Fund decreased by \$22,836 as a result of principal and interest payments in excess of special assessments collected.

Proprietary Funds

The Events Center Enterprise Fund reported an operating loss in 2024 of \$28,799, primarily due to cost increases in excess of sales and rental income.

The Liquor Enterprise Fund reported an operating income in 2024 of \$102,492, indicating that sales are sufficient to cover operating costs.

The Sewer Enterprise Fund reported an operating income in 2024 of \$59,028, indicating that it is collecting fees for services at a rate higher than expenses.

The Water Enterprise Fund reported an operating income in 2024 of \$177,861, indicating that it is collecting fees for services at a rate well above expenses.

The non-major Storm Water Enterprise Fund reported an operating income in 2024 of \$11,568, indicating that fees for services are adequate to cover the cost of operations.

GENERAL FUND BUDGETARY HIGHLIGHTS

There were no amendments to the original budget as approved for 2024.

Actual revenues were more than overall final budgeted revenues by \$114,985, with the largest positive variance in intergovernmental revenue and actual expenditures were more than overall final budgeted expenditures by \$426,169, with the largest variance in underbudgeted capital outlay for highways and streets.

CAPITAL ASSETS AND LONG-TERM DEBT

Capital Assets

The City's net investment in capital assets for its governmental and business-type activities as of December 31, 2024, amounted to \$14,488,881. The total increase in the City's investment in capital assets for the current fiscal year was approximately 9 percent. This increase was primarily due to infrastructure improvement projects and construction in progress.

	Governmental Activities		Business-Type Activities		Total Primary Government	
	2024	2023	2024	2023	2024	2023
Land	\$ 674,881	\$ 674,881	\$ -	\$ -	\$ 674,881	\$ 674,881
Construction in progress	430,981	778,109	675,191	1,268,854	1,106,172	2,046,963
Infrastructure	4,959,214	4,274,598	5,797,901	4,666,452	10,757,115	8,941,050
Buildings and improvements	172,096	186,123	618,285	283,086	790,381	469,209
Machinery and equipment	1,089,484	1,084,563	70,848	73,574	1,160,332	1,158,137
Total capital assets	\$ 7,326,656	\$ 6,998,274	\$ 7,162,225	\$ 6,291,966	\$ 14,488,881	\$ 13,290,240

Additional information on the City's capital assets can be found in the notes to the financial statements.

Long-Term Debt

At the end of the current fiscal year, the City had a total debt outstanding of \$5,935,741, net of bond discounts, which is backed by the full faith and credit of the government.

	Governmental Activities		Business-Type Activities		Total	
	2024	2023	2024	2023	2024	2023
G.O. Bonds	\$ 3,161,400	\$ 1,454,000	\$ -	\$ -	\$ 3,161,400	\$ 1,454,000
MN PFA	-	-	2,665,552	2,215,420	2,665,552	2,215,420
Revenue Bonds	-	-	50,000	70,000	50,000	70,000
Capital Notes	58,789	95,873	-	3,971	58,789	99,844
	\$ 3,220,189	\$ 1,549,873	\$ 2,715,552	\$ 2,289,391	\$ 5,935,741	\$ 3,839,264

Minnesota Statutes limit the amount of debt the City may have to three percent of its total market value, excluding revenue bonds. At the end of 2024, overall debt of the City is below the three percent debt limit.

Additional information on the City's long-term debt can be found in the notes to the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

- The City depends on financial resources flowing from, or associated with, both the Federal Government and the State of Minnesota. Because of this dependency, the City is subject to changes in specific flows of intergovernmental revenues based on modifications to Federal and State laws and Federal and State appropriations. It is also subject to changes in investment earnings and asset values associated with U.S. Treasury Securities because of actions by foreign governments and other holders of publicly held U.S. Treasury Securities.

- Specific unemployment statistics for the City of Frazee are not available. However, according to the Minnesota Department of Employment & Economic Development, the unemployment rate for Becker County was 3.8 percent as of December 31, 2024. This is higher than the statewide rate of 2.7 percent and the same as the national average rate of 3.8 percent.
- Frazee's 2024 population according to the League of Minnesota Cities was 1,318, a decrease of 17 since the 2020 census of 1,335.
- On December 11, 2024, the City of Frazee set its 2025 revenue and expenditure budgets.
- The City continues to work towards future development to accommodate the needs of residents by consistently exploring and working towards more programming and grant opportunities as a best practice.
- To look towards future economic, business, tourism, beautification, arts, and culture opportunities, the City continues to levy for debt associated with reconstruction projects, including the East Main Street Project, the Wannagan Regional Park Project, and the Town Lake Beach Bathhouse Project.

REQUESTS FOR INFORMATION

This annual financial report is designed to provide a general overview of the City of Frazee for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City of Frazee Administrator, City Hall, P.O. Box 387, Frazee, Minnesota 56544.

**RECONCILIATION OF GOVERNMENTAL FUNDS BALANCE SHEET TO
THE STATEMENT OF NET POSITION--GOVERNMENTAL ACTIVITIES
DECEMBER 31, 2024**

Fund balance - total governmental funds (Exhibit 3)	\$	1,446,967
--	-----------	------------------

Amounts reported for governmental activities in the
Statement of Net Position are different because:

Capital assets, net of accumulated depreciation, used in governmental activities are not financial resources and, therefore, are not reported in the governmental funds.		7,239,433
---	--	-----------

Other long-term assets are not available to pay for current period expenditures and, therefore, are deferred in the governmental funds.		655,822
--	--	---------

Long-term liabilities are not due and payable in the current period and,
therefore, are not reported in the governmental funds.

Compensated absences payable	\$ (58,148)		
Accrued interest payable	(18,017)		
Capital notes payable	(58,789)		
General obligation bonds payable	(1,595,400)		(1,730,354)

Net pension liability and related outflows/inflows of resources represent the
allocation of the pension obligations of the statewide plans to the City. Such
balances are not reported in the governmental funds:

Deferred outflows of resources related to pensions	\$ 361,864		
Deferred inflows of resources related to pensions	(515,275)		
Net pension asset	284,769		
Net pension liability	(227,980)		(96,622)

Net position of governmental activities (Exhibit 1)	\$	<u>7,515,246</u>

EXHIBIT 6

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE
STATEMENT OF ACTIVITIES—GOVERNMENTAL ACTIVITIES
FOR THE YEAR ENDED DECEMBER 31, 2024**

Net change in fund balance - total governmental funds (Exhibit 5)	\$	(16,860)
---	----	----------

Amounts reported for governmental activities in the
Statement of Activities are different because:

Governmental funds report capital outlay as expenditures. However, in
the Statement of Activities, the cost of those assets is allocated over
their estimated useful lives and reported as depreciation expense.

Expenditures for general capital assets and infrastructure	\$ 505,762	
Current year depreciation	(264,603)	241,159

Revenues in the Statement of Activities that do not provide current financial
resources are not reported as revenues in the governmental funds.

Change in		
Taxes receivable	\$ (1,090)	
Special assessments receivable	(89,726)	
Notes receivable	(37,670)	(128,486)

The issuance of long-term debt provides current financial resources to governmental
funds, but increases long-term liabilities in the Statement of Net Position, while the
repayment of the principal of long-term debt consumes the current financial resources
of governmental funds, however, neither transaction has any effect on net position.

Proceeds from issuance of debt	\$ (382,400)	
Principal repayment on debt	278,084	(104,316)

Some expenses reported in the Statement of Activities do not require the use
of current financial resources and, therefore, are not reported as expenditures in
governmental funds.

Change in		
Accrued interest payable	\$ (10,165)

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

**NOTES TO THE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2024**

I. Summary of Significant Accounting Policies

The City's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (statements and interpretations). The more significant accounting policies established in GAAP and used by the City are discussed below.

A. Financial Reporting Entity

The City of Frazee was established on February 10, 1891, and has the powers, duties, and privileges granted by state law, codified in Minnesota Statutes, Chapter 412. As required by accounting principles generally accepted in the United States of America, these financial statements present the City of Frazee (primary government) and its component unit for which the City is financially accountable.

The City operates under a Mayor-Council form of government and provides services such as general government, public safety, highways and streets, sanitation, culture and recreation, economic development, Events Center, liquor store, and sewer, water, and storm water utilities, as authorized by its charter.

The Frazee Fire Relief Association is organized to provide pension and other benefits to its members in accordance with Minnesota statutes. The Fire Relief Association is a defined benefit plan type and as required by GASB Pronouncement No. 68 is included in the financial statements of the City.

The City participates in a joint venture as described in Note VI-C.

Discretely Presented Component Unit

While part of the City of Frazee, the discretely presented component unit is presented in a separate column in the government-wide financial statements to emphasize that it is legally separate from the City. The Frazee Economic Development Authority (EDA) is a component unit of the City of Frazee and is discretely presented. The EDA was created to enhance economic development for the City. Board members are appointed by the City Council.

The component unit does not issue separately audited component unit financial statements. Additional financial information about the EDA can be obtained from the City of Frazee Administrator/Clerk/Treasurer, City Hall, P.O. Box 387, Frazee, Minnesota 56544.

B. Basic Financial Statements

1. Government-Wide Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) include the financial activities of the overall City government. Eliminations have been made to minimize the double-counting of internal activities. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from

Page 24

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

I. Summary of Significant Accounting Policies

B. Basic Financial Statements

1. Government-Wide Statements (Continued)

business-type activities, which rely to a significant extent on fees and charges to external parties for support.

In the government-wide Statement of Net Position, both the governmental and business-type activities columns: (a) are presented on a consolidated basis by column; and (b) are reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The City's net position is reported in three parts: (1) net investment in capital assets; (2) restricted net position; and (3) unrestricted net position. The City first utilizes restricted resources to finance qualifying activities.

The Statement of Activities demonstrates the degree to which the direct expenses of each function of the City's governmental activities and different business-type activities are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or activity. Program revenues include: (1) fees, charges, and fines paid by the recipients of goods, services, or privileges provided by a given function or activity; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or activity. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues and transfers.

2. Fund Financial Statements

The fund financial statements provide information about the City's funds. Separate statements for each fund category—governmental, and proprietary—are presented. The emphasis of governmental and proprietary fund financial statements is on major individual governmental and enterprise funds, with each displayed as separate columns in the fund financial statements. All remaining governmental funds are aggregated and reported as nonmajor funds.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Nonoperating revenues, such as property taxes, grants, donations, subsidies and investment earnings, result from nonexchange transactions or incidental activities.

The City reports the following major governmental funds:

The General Fund is the City's primary operating fund. It accounts for and reports all financial resources of the general government not accounted for in another fund.

The Lake Street Debt Service Fund is used to account for, and report debt associated with the General Obligation Improvement Notes, Series 2022B for public improvements associated with the Lake Street Project.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

I. Summary of Significant Accounting Policies

B. Basic Financial Statements

2. Fund Financial Statements (Continued)

The City reports the following major enterprise funds:

The Events Center Enterprise Fund is used to account for the operations of the City's Events Center. Financing is provided by concession sales and space rental for events.

The Liquor Enterprise Fund is used to account for the operations of the City's liquor store. Financing is provided through the liquor store's sale of on and off-sale liquor.

The Sewer Enterprise Fund is used to account for the operations of the City's sewer system. Financing is provided by charges to residents for services.

The Water Enterprise Fund is used to account for the operations of the City's water system. Financing is provided by charges to residents for services.

Additionally, the City reports the following non-major fund types:

Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest.

The Storm Water Enterprise Fund is used to account for the operations of the City's storm water system. Financing is provided by charges to residents for services.

C. Measurement Focus and Basis of Accounting

The government-wide and proprietary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes and special assessments are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. The City considers tax and special assessment revenues to be available if they are collected within 60 days after the end of the current period. Intergovernmental revenues, charges for services, and interest are all considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt and claims and judgments, which are recognized as expenditures to the extent that they have matured. Proceeds of general long-term debt are reported as other financing sources.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

I. Summary of Significant Accounting Policies

C. Measurement Focus and Basis of Accounting (Continued)

As a general rule, the effect of internal activity has been eliminated from the government-wide financial statements.

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position or Equity

1. Cash and Cash Equivalents

The City has defined cash and cash equivalents to include cash on hand and demand deposits. Additionally, each fund's equity in the City's deposits is treated as a cash equivalent because the funds can deposit or effectively withdraw cash at any time without prior notice or penalty. Cash and cash equivalents are valued at fair value.

2. Deposits and Investments

The cash balances of the funds are invested by the City Administrator/Clerk/Treasurer for the purpose of increasing earnings through investment activities. Pooled and fund investments are reported at their fair value at December 31, 2024, based on market prices. Investment earnings on cash and pooled investments are allocated to the funds with deposits. City funds also participate in a pooled checking account for operating purposes. Pooled investment earnings for 2024 were \$44,142. Total investment earnings for 2024 were \$47,549.

3. Receivables and Payables

Property taxes are levied as of January 1 on property values assessed as of the same date. The tax levy notice is mailed by Becker County in March with the first half payment due on May 15 and the second half due on October 15.

Taxes and special assessments receivable consist of uncollected taxes and special assessments payable in the years 2018 through 2024 and deferred special assessments collectible in 2025 and beyond. Taxes and special assessments receivable are offset by deferred inflows of resources for the amount not collected within 60 days of December 31 to indicate they are not available to finance current expenditures. No provision has been made for an estimated uncollectible amount.

Accounts receivable consist primarily of charges for services for sewer, water, and storm water utilities.

Notes receivable consist of housing rehabilitation and business development notes of the Economic Development Authority.

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances from/to other funds" (i.e., the non-current portion of interfund loans).

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

I. Summary of Significant Accounting Policies

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position or Equity

3. Receivables and Payables (Continued)

All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

All receivables are shown net of an allowance for uncollectible amounts, if applicable.

4. Inventory

All inventories are valued at cost using the First-In, First-Out (FIFO) method. Inventories in the proprietary funds are recorded as expenses when consumed.

5. Capital Assets

Capital assets, which include land, construction in progress, infrastructure (e.g., sewers and water mains), buildings and improvements, and machinery and equipment, are reported in the applicable governmental or business-type activities column in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of two years, except land and construction in progress which are capitalized regardless of cost. Capital assets are recorded at historical cost or estimated historical cost when purchased or constructed. Donated capital assets are recorded at acquisition value at the date of acquisition.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extended the life of the asset are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Infrastructure, buildings and improvements, and machinery and equipment are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Infrastructure	30-40
Buildings and improvements	20-40
Machinery and equipment	5-30

6. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position reports a separate section for deferred outflows of resources. This element represents a consumption of net position that applies to future periods, and therefore, will not be recognized as an outflow of resources (expense) until that time. The City reports deferred outflows of resources in the government-wide and the proprietary funds Statement of Net Position in relation to the activity of the pension funds in which City employees participate.

In addition to liabilities, the Statement of Net Position and Balance Sheet report a separate section for deferred inflows of resources. This element represents an acquisition of net position or fund

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

I. Summary of Significant Accounting Policies

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources, and Net Position or Equity

6. Deferred Outflows/Inflows of Resources (Continued)

balance that applies to future periods, and therefore, will not be recognized as an inflow of resources (revenue) until that time. The City reports delinquent property tax and special assessment receivables, and special assessments levied for subsequent years as deferred inflows of resources in the governmental funds, in accordance with the modified accrual basis of accounting. In addition, the City reports deferred inflows of resources in the government-wide and proprietary funds Statement of Net Position in relation to the activity of the pension funds in which City employees participate. Accordingly, such amounts are deferred and recognized as inflows of resources in the period that they become available.

7. Compensated Absences

The liability for compensated absences reported in financial statements consists of unpaid, accumulated annual vacation and sick and safe leave balances. The liability has been calculated using the vesting method, in which leave amounts for both employees who currently are eligible to receive termination payments and other employees who are expected to become eligible in the future to receive such payments upon termination are included. Compensated absences are accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in the governmental funds only if they have matured, for example, as a result of employee resignations and retirements. Compensated absences are generally liquidated by the General Fund and the Liquor, Sewer, and Water Enterprise Funds.

8. Long-Term Obligations

In the government-wide and proprietary fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities and business-type activities. Bond discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond discount. Bond issuance costs are immediately expensed. In the fund financial statements, governmental fund types recognize the face amount of the debt as other financing sources when issued.

9. Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Public Employees Retirement Association (PERA) and additions to/deductions from PERA's fiduciary net position have been determined on the same basis as they are reported by PERA except that PERA's fiscal year end is June 30. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments, and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. For the governmental activities, the pension liability is liquidated by the General Fund, and for business-type activities, the pension liability is liquidated by the Events Center, Liquor, Sewer, and Water Enterprise Funds.

For purposes of measuring the net pension asset, deferred outflows/inflows of resources, and expense associated with the City's requirement to contribute to the Frazee Firefighters Relief Association Plan, information about the Plan's fiduciary net position and additions to/deductions

9. Pensions (Continued)

from the Frazee Firefighters Relief Association Plan's fiduciary net position have been determined on the same basis as they are reported by the Plan. For this purpose, benefit payments (including refunds of contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The net pension asset is recorded in the General Fund.

10. Net Position and Fund Balance

Net position in the government-wide statements is classified in the following categories:

Net investment in capital assets – represents capital assets, net of accumulated depreciation, and reduced by outstanding debt attributed to the acquisition, construction, or improvement of the assets.

Restricted net position – the amount of net position for which external restrictions have been imposed by creditors, grantors, contributors, or laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.

Unrestricted net position – the amount of net position that does not meet the definition of restricted or net investment of capital assets.

In the fund financial statements, the City classifies governmental fund balances as follows:

Non-spendable – includes fund balance amounts that cannot be spent because it is either not in spendable form or legally or contractually required to be maintained intact. The City reports no non-spendable fund balance at December 31, 2024.

Restricted – includes fund balance amounts that are constrained for specific purposes which are either externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Committed – includes fund balance amounts that are constrained for specific purposes imposed by resolution of the City Council and do not lapse at year-end. To remove the constraint on specified use of committed resources the City Council shall pass a resolution.

Assigned – includes fund balance amounts that are intended to be used for specific purposes that are neither restricted nor committed. The City Council has delegated the authority to assign and remove assignments of fund balance amounts for specified purposes to the City Administrator/Clerk/Treasurer.

Unassigned – includes positive fund balance within the General Fund, which has not been classified within the above-mentioned categories, and negative fund balances in other governmental funds.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

I. Summary of Significant Accounting Policies

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position or Equity

10. Net Position and Fund Balance (Continued)

The City will maintain an unrestricted fund balance in the General Fund of an amount not less than 35 to 50 percent of next year's budgeted expenditures of the General Fund. Unrestricted fund balance can be "spent down" if there is an anticipated budget. If spending unrestricted fund balance in designated circumstances has reduced unrestricted fund balance to a point below the minimum targeted level the replenishment will be funded by taxes.

Stabilization arrangements are defined as formally setting aside amounts for use in emergency situations or when revenue shortages or budgetary imbalances arise. The City Council will set aside amounts by resolution as deemed necessary that can only be expended when unforeseen emergencies exist as the need for stabilization arises. The need for stabilization will only be utilized for situations that are not expected to occur routinely. The City does not identify an amount for stabilization at December 31, 2024.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed. When committed, assigned or unassigned resources are available for use, it is the City's policy to use resources in the following order: 1) committed, 2) assigned, and 3) unassigned.

11. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and deferred outflows/inflows of resources, and disclosure of contingent amounts at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

II. Stewardship, Compliance, and Accountability

A. Deficit Fund Balances

The following funds had deficit fund balances as of December 31, 2024, which will be eliminated with future special assessments and revenues:

Lake Street Debt Service Fund:	\$ 6,879
Cemetery Special Revenue Fund:	\$ 4,289
Fire Special Revenue Fund:	\$ 87
2016 Improvements and Refunding Debt Service Fund:	\$176,083
Southeast Area Streets and Utilities Debt Service Fund:	\$165,518

Deposits

Minnesota Statutes, §§ 118A.02 and 118A.04 authorize the City to deposit its cash and to invest in certificates of deposit in financial institutions designated by the Board. Minnesota Statute, § 118A.03 requires that all City deposits be covered by insurance, surety bond, or collateral. The market value of collateral pledged shall be at least ten percent more than the amount on deposit plus accrued interest at the close of the financial institution's banking day, not covered by insurance or bonds.

Authorized collateral includes treasury bills, notes, and bonds; issues of U.S. government agencies; general obligations rated "A" or better, revenue obligations rated "AA" or better; irrevocable standard letters of credit issued by the Federal Home Loan Bank; and certificates of deposit.

Minnesota statutes require that securities pledged as collateral be held in safekeeping in a restricted account at the Federal Reserve Bank or in an account at a trust department of a commercial bank or other financial institution not owned or controlled by the financial institution furnishing the collateral.

Custodial Credit Risk

Custodial credit risk is the risk that in the event of a financial institution failure, the City's deposits may not be returned to it. The City's policy is to comply with Minnesota statutes in establishing authorized collateral for deposits. As of December 31, 2024, the City's deposits were not exposed to custodial credit risk.

C. Liabilities

Compensated Absences

Under the City's personnel policy, for full-time employees, vacation leave accrual varies from 40-120 hours (5 to 15 days) per year. After one year of service, vacation leave may be used as it is earned. Employees may accrue vacation leave up to a maximum of 280 hours. Vacation leave can only be converted to a cash payment at termination. All employees earn sick leave at the rate of 1.38 hours for every 30 hours worked. Sick leave may be accumulated to 800 hours. Sick days unused over 40 days may be sold back to the City in December of any given year or paid out at termination at ½ the compensation rate. Part-time employees may carry over earned sick leave up to 80 hours. Unvested sick leave, approximately \$36,436 at December 31, 2024, is available to employees in the event of illness-related absences and is not paid to them at termination. Compensated absences are generally liquidated by the General Fund and the Sewer and Water Enterprise Funds.

Long-Term Debt

Governmental Activities

City of Frazee General Obligation Refunding Bonds, Series 2012A (Rural Water MIDI Loan) represent debt incurred to refund the General Obligation Street Improvement Bonds of 2006 and the General Obligation Red Willow Heights Improvement Bonds of 2006. These bonds have an original issue amount of \$810,000. They carry a net interest rate of 3.0 percent and are due in annual installments from the Red Willow Heights II Debt Service Fund of \$55,000 to \$70,000 through February 1, 2026. As a result of the refunding, the City of Frazee realized an economic gain of \$65,333 with a present value of \$72,012. The balance outstanding at December 31, 2024, is \$115,000.

City of Frazee General Obligation Improvement Bonds of 2013 represent debt incurred for street and utility improvements. These bonds have an original issue amount of \$333,000. They carry a net interest rate of 2.20 percent and are due in annual installments from the Southeast Area Street and Utilities Improvement Debt Service Fund of \$21,000 to \$22,000 through February 1, 2024. These bonds were paid off in full by the end of 2024.

City of Frazee General Obligation Improvement Bonds of 2014A represent debt incurred for street and utility improvements. These bonds have an original issue amount of \$393,000. They carry a net interest rate of 3.10 percent and are due in annual installments from the County Road 118 Debt Service Fund of \$33,000 to \$39,000 through February 1, 2027. The balance outstanding at December 31, 2024, is \$113,000.

City of Frazee General Obligation Improvement and Refunding Bonds of 2016A represent debt incurred to refund the General Obligation Street Improvement Bonds of 2008 and provide for 2017 street improvements. These bonds have an original issue amount of \$288,000. They carry a net interest rate of 2.40 percent and are due in annual installments from the 2016 Improvements and Refunding Debt Service Fund of \$19,000 to \$39,000 through February 1, 2027. As a result of the refunding, the City of Frazee realized an economic gain of \$22,834 with a present value of \$13,641. The balance outstanding at December 31, 2024, is \$58,000.

IV. Defined Benefit Pension Plans

A. Plan Description

The City of Frazee participates in the following cost-sharing multiple-employer defined benefit pension plan administered by the Public Employees Retirement Association of Minnesota (PERA). These plan provisions are established and administered according to Minnesota Statutes chapters 353, 353D, 353E, 353G, and 356. Minnesota Statutes chapter 356 defines each plan's financial reporting requirements. PERA's defined benefit pension plans are tax qualified plans under Section 401(a) on the Internal Revenue Code.

General Employees Retirement Plan (General Plan)

Membership in the General Plan includes employees of counties, cities, townships, schools in non-certified positions, and other governmental entities whose revenues are derived from taxation, fees, or assessments. Plan membership is required for any employee who is expected to earn more than \$425 in a month, unless the employee meets exclusion criteria.

Public Employees Police and Fire Plan (Police and Fire Plan)

Membership in the Police & Fire Plan includes full-time, licensed police officers and firefighters who meet the membership criteria defined in Minnesota Statutes section 353.64 and who are not earning service credit in any other PERA retirement plan or a local relief association for the same service. Employers can provide Police & Fire Plan coverage for part-time positions and certain other public safety positions by submitting a resolution adopted by the entity's governing body. The resolution must state that the position meets plan requirements.

B. Benefits Provided

PERA provides retirement, disability, and death benefits. Benefit provisions are established by state to benefits, but are not receiving them yet, are bound by the provisions in effect at the time they last terminated their public service. When a member is "vested", they have earned enough service credit to statute and can only be modified by the state Legislature. Vested, terminated employees who are entitled

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans

B. Benefits Provided (Continued)

to receive a lifetime monthly benefit after leaving public service and reaching an eligible retirement age. Members who retire at or over their Social Security full retirement age with at least one year of service qualify for a retirement benefit.

1. General Employees Plan Benefits

General Employees Plan requires three years of service to vest. Benefits are based on a member's highest average salary for any five successive years of allowable service, age, and years of credit at termination of service. Two methods are used to compute benefits for General Plan members. Members hired prior to July 1, 1989, receive the higher of the Step or Level formulas. Only the Level formula is used for members hired after June 30, 1989. Under the Step formula, General Plan members receive 1.2 percent of the highest average salary for each of the first 10 years of service and 1.7 percent for each additional year. Under the Level formula, General Plan members receive 1.7 percent of highest average salary for all years of service. For members hired prior to July 1, 1989, a full retirement benefit is available when age plus years of service equal 90 and normal retirement age is 65. Members can receive a reduced requirement benefit as early as age 55 if they have three or more years of service. Early retirement benefits are reduced by .25 percent for each month under age 65. Members with 30 or more years of service can retire at any age with a reduction of .25 percent of each month the member is younger than age 62. The Level formula allows General Plan members to receive a full retirement benefit at age 65 if they were first hired before July 1, 1989, or at a age 66 if they were hired on or after July 1, 1989. Early retirement begins at age 55 with an actuarial reduction applied to the benefit.

Benefit increases are provided to benefit recipients each January. The postretirement increase is equal to 50 percent of the cost-of-living adjustment (COLA) announced by the SSA, with a minimum increase of at least 1 percent and a maximum of 1.5 percent. The 2024 annual increase was 1.5 percent. Recipients that have been receiving the annuity or benefit for at least a full year as of the June 30 before the effective date of the increase will receive the full increase. Recipients receiving the annuity or benefit for at least one month but less than a full year as of the June 30 before the effective date of increase will receive a prorated increase.

2. Police and Fire Plan Benefits

Benefits for Police and Fire Plan members hired before July 1, 2010, are vested after three years of service. Members hired on or after July 1, 2010, are 50 percent vested after five years of service and 100 percent vested after ten years. After five years, vesting increase by 10 percent each full year of service until members are 100 percent vested after ten years. Police and Fire Plan members receive 3 percent of highest average salary for all years of service. Police and Fire Plan members receive a full retirement benefit when they are age 55 and vested, or when their age plus their years of service equals 90 or greater if they were first hired before July 1, 1989. Early retirement starts at age 50, and early retirement benefits are reduced by 0.417 percent each month members are younger than age 55.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans (Continued)

C. Contributions

Minnesota Statutes Chapter 353, 353E, 353G, and 356 set the rates for employer and employee contributions. Contribution rates can only be modified by the state Legislature.

1. General Employees Fund Contributions

Coordinated Plan members were required to contribute 6.50 percent of their annual covered salary in fiscal year 2024 and the City of Frazee was required to contribute 7.50 percent for General Plan members. The City of Frazee's contributions to the General Employees Fund for the year ended December 31, 2024, were \$40,481. The City of Frazee's contributions were equal to the required contributions as set by state statute.

2. Police and Fire Fund Contributions

Police and Fire Plan member's members were required to contribute 11.80 percent of their annual covered salary in fiscal year 2024 and the City of Frazee was required to contribute 17.70 percent for Police and Fire Plan members. The City of Frazee's contributions to the Police and Fire Fund for the year ended December 31, 2024, were \$29,805. The City of Frazee's contributions were equal to the required contributions as set by state statute.

D. Pension Costs

1. General Employees Fund Pension Costs

At December 31, 2024, the City of Frazee reported a liability of \$213,880 for its proportionate share of the General Employees Fund's net pension liability. The City of Frazee's net pension liability reflected a reduction due to the State of Minnesota's contribution of \$16 million. The State of Minnesota is considered a non-employer contributing entity and the state's contribution meets the definition of a special funding situation. The State of Minnesota's proportionate share of the net pension liability associated with the City of Frazee totaled \$5,531.

City of Frazee's proportionate share of the net pension liability	\$ 213,880
State of Minnesota's proportionate share of the net pension liability associated with the City of Frazee	<u>5,531</u>
Total	<u>\$ 219,411</u>

The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City of Frazee's proportionate share of the net pension liability was based on the City of Frazee's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2023, through June 30, 2024, relative to the total employer contributions received from all of PERA's participating employers. The City of Frazee's proportionate share was .0058 percent at the end of the measurement period and .0054 percent for the beginning of the period.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans

D. Pension Costs

1. General Employees Fund Pension Costs (Continued)

There were no provision changes during the measurement period.

For the year ended December 31, 2024, the City of Frazee recognized a pension expense of \$16,322 for its proportionate share of the General Employees Plan's pension expense. In addition, the City of Frazee recognized an additional \$148 as pension expense (and grant revenue) for its proportionate share of the State of Minnesota's contribution of \$16 million to the General Employees Fund.

During the plan year ended June 30, 2024, the State of Minnesota contributed \$170.1 million to the General Employees Fund. The State of Minnesota is not included as a non-employer contributing entity in the General Employees Plan pension allocation schedules for the \$170.1 million in direct state aid because this contribution was not considered to meet the definition of a special funding situation. The City of Frazee recognized \$9,840 for the year ended December 31, 2024, as revenue and an offsetting reduction of net pension liability for its proportionate share of the State of Minnesota's on-behalf contributions to the General Employees Fund.

At December 31, 2024, the City of Frazee reported deferred outflows of resources and deferred inflows of resources related to pensions from the following resources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Difference between expected and actual economic experience	\$ 19,666	\$ -
Changes in actuarial assumption	974	77,013
Difference between projected and actual investment earnings	-	62,338
Changes in proportion	16,161	-
Contributions paid to PERA subsequent to the measurement date	21,483	-
Total	<u>\$ 58,284</u>	<u>\$ 139,351</u>

The \$21,483 reported as deferred outflows of resources related to pensions resulting from the City of Frazee's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2025. Other amounts reported as deferred outflows and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<u>Year ended December 31:</u>	<u>Pension Expense Amount</u>
2025	\$ (59,056)
2026	\$ (6,754)
2027	\$ (20,348)
2028	\$ (16,392)

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans

D. Pension Costs (Continued)

2. Police and Fire Fund Pension Costs

At December 31, 2024, the City of Frazee reported a liability of \$146,706 for its proportionate share of the Police and Fire Fund's net pension liability. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City of Frazee's proportionate share of the net pension liability was based on the City of Frazee's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2023, through June 30, 2024, relative to the total employer contributions received from all of PERA's participating employers. The City of Frazee's proportionate share was .0112 percent at the end of the measurement period and .0121 percent for the beginning of the period.

The State of Minnesota contributed \$37.4 million to the Police and Fire Fund in the plan fiscal year ended June 30, 2024. The contribution consisted of \$9 million in direct state aid that meets the definition of a special funding situation, additional one-time direct state aid contribution of \$19.4 million, and \$9 million in supplemental state aid that does not meet the definition of a special funding situation. Additionally, \$9 million supplemental state aid was paid on October 1, 2024. Thereafter, by October 1 of each year, the state will pay \$9 million to the Police and Fire Fund until full funding is reached or July 1, 2048, whichever is earlier. The \$9 million in supplemental state aid will continue until the fund is 90 percent funded, or until the State Patrol Plan (administered by the Minnesota State Retirement System) is 90 percent funded, whichever occurs later. The State of Minnesota's proportionate share of the net pension liability associated with the City of Frazee totaled \$5,592.

City of Frazee's proportionate share of the net pension liability	\$ 146,706
State of Minnesota's proportionate share of the net pension liability associated with the City of Frazee	5,592
Total	<u>\$ 152,298</u>

For the year ended December 31, 2024, the City of Frazee recognized pension expense of \$15,427 for its proportionate share of the Police and Fire Plan's pension expense. The City of Frazee recognized \$543 as grant revenue and pension expense for its proportionate share of the State of Minnesota's pension expense for the contribution of \$9 million to the Police and Fire Fund special funding situation.

The State of Minnesota is not included as a non-employer contributing entity in the Police and Fire Pension Plan pension allocation schedules for the \$28.4 million in supplemental state aid because this contribution was not considered to meet the definition of a special funding situation. The City of Frazee recognized \$1,004 for the year ended December 31, 2024, as revenue and an offsetting reduction of net pension liability for its proportionate share of the State of Minnesota's on-behalf contributions to the Police and Fire Fund.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans

D. Pension Costs

2. Police and Fire Fund Pension Costs (Continued)

There were no provision changes during the measurement period.

At December 31, 2024, the City of Frazee reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual economic experience	\$ 66,083	\$ -
Changes in actuarial assumptions	231,393	234,533
Difference between projected and actual investment earnings	-	40,792
Changes in proportion	3,955	128,574
Contributions paid to PERA subsequent to the measurement date	15,617	-
Total	<u>\$ 317,048</u>	<u>\$ 403,899</u>

The \$15,617 reported as deferred outflows of resources related to pensions resulting from the City of Frazee's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2025. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended December 31:	Pension Expense Amount:
2025	\$ (18,448)
2026	\$ 47,487
2027	\$ (40,075)
2028	\$ (92,081)
2029	\$ 649

Aggregate Pension Expense

The total pension expense for all plans recognized by the City of Frazee for the year ended December 31, 2024, was \$(3,814).

E. Long-Term Expected Return on Investment

General Employees Fund - Police and Fire Fund

The State Board of Investment, which manages the investments of PERA, prepares an analysis of the reasonableness on a regular basis of the long-term expected rate of return using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce an expected long-term rate of return by weighing the expected

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans

E. Long-Term Expected Return on Investment

General Employees Fund - Police and Fire Fund (Continued)

future rates of return by the target asset allocation percentages. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic Equity	33.5%	5.10%
International Equity	16.5%	5.30%
Fixed Income	25.0%	0.75%
Private Markets	25.0%	5.90%
Total	100.0%	

F. Actuarial Methods and Assumptions

General Employees Fund – Police and Fire Fund

The total pension liability for each of the cost-sharing defined benefit plans was determined by an actuarial valuation as of June 30, 2024, using the entry age normal actuarial cost method. The long-term rate of return on pension plan investments used to determine the total liability is 7%. The 7% assumption is based on a review of inflation and investment return assumptions from a number of national investment consulting firms. The review provided a range of investment return rates considered reasonable by the actuary. An investment return of 7% is within that range.

Inflation is assumed to be 2.25 percent for the General Employees Plan and Police & Fire Plan.

Benefit increases after retirement are assumed to be 1.25% for the General Employees Plan and 1% for the Police & Fire Plan.

Salary growth assumptions in the General Employees Plan range in annual increments from 10.25% after one year of service to 3% after 27 years of service. In the Police & Fire Plan, salary growth assumptions range in annual increments from 11.75% after one year of service to 3% after 24 years of service.

Mortality rates for the General Employees Plan are based on the Pub-2010 General Mortality Table. Mortality rates for the Police & Fire Plan are based on the Pub-2010 Public Safety Employee Mortality tables. The tables are adjusted slightly to fit PERA's experience.

Actuarial assumptions for the General Employees Plan are reviewed every four years. The General Employees Plan was last reviewed in 2022. The assumption changes were adopted by the board and became effective with the July 1, 2023, actuarial valuation. The Police & Fire Plan were reviewed in 2024. PERA anticipates the experience study will be approved by the Legislative Commission on Pensions and Retirement and become effective with the July 1, 2025, actuarial valuation.

The following changes in actuarial assumptions and plan provisions occurred in 2024:

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans

F. Actuarial Methods and Assumptions

General Employees Fund – Police and Fire Fund (Continued)

General Employees Fund

Changes in Actuarial Assumptions:

- Rates of merit and seniority were adjusted, resulting in slightly higher rates.
- Assumed rates of retirement were adjusted as follows: increase the rate of assumed unreduced retirements, slight adjustments to Rule of 90 retirement rates, and slight adjustments to early retirement rates of Tier 1 and Tier 2 members.
- Minor increase in assumed withdrawals for males and females.
- Lower rates of disability.
- Continued use of Pub-2010 general mortality table with slight rate adjustments as recommended in the most recent experience study.
- Minor changes to form of payment assumptions for male and female retirees.
- Minor changes to assumptions made with respect to missing participant data.

Changes in Plan Provisions:

- The workers' compensation offset for disability benefits was eliminated. The actuarial equivalent factors updated to reflect the changes in assumptions.

Police and Fire Fund

Changes in Plan Provisions:

- The State contribution of \$9.0 million per year will continue until the earlier of 1) both the Police & Fire Plan and the State Patrol Retirement Fund attain 90 percent funded status for three consecutive years (on an actuarial value of assets basis) or 2) July 1, 2048. The contribution was previously due to expire after attaining a 90 percent funded status for one year.
- The additional \$9.0 million contribution will continue until the Police & Fire Plan is fully funded for a minimum of three consecutive years on an actuarial value of assets basis, or July 1, 2048, whichever is earlier. This contribution was previously due to expire upon attainment of fully funded status on an actuarial value of assets basis for one year (or July 1, 2048 if earlier)

G. Discount Rate

The discount rate used to measure the total pension liability in 2024 was 7.0 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at rates set in Minnesota Statutes. Based on these assumptions, the fiduciary net position of the General Employees and Police and Fire Plans were projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

IV. Defined Benefit Pension Plans (Continued)

H. Pension Liability Sensitivity

The following presents the City of Frazee's proportionate share of the net pension liability for all plans it participates in, calculated using the discount rate disclosed in the preceding paragraph, as well as what the City of Frazee proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

<u>Sensitivity Analysis</u>					
<u>Net Pension Liability (Asset) at Different Discount Rates</u>					
	<u>General Employees Fund</u>			<u>Police and Fire Fund</u>	
1% Lower	6.00%	\$	467,149	6.00%	\$ 346,695
Current Discount Rate	7.00%	\$	213,880	7.00%	\$ 146,706
1% Higher	8.00%	\$	5,544	8.00%	\$ (17,527)

I. Pension Plan Fiduciary Net Position

Detailed information about each pension plan's fiduciary net position is available in a separately-issued PERA financial report that includes financial statements and required supplementary information. That report may be obtained on the internet at www.mnpera.org.

V. Defined Benefit Pension Plan – Firemen's Relief Association

A. Plan Description

The Frazee Firefighters Relief Association participates in the Statewide Volunteer Firefighter Retirement Plan (accounted for in the Volunteer Firefighter Fund), an agent multiple-employer lump-sum defined benefit pension plan administered by the Public Employees Retirement Association of Minnesota (PERA). The Volunteer Firefighter Plan covers volunteer firefighters of municipal fire departments or independent nonprofit firefighting corporations that have elected to join the plan. As of December 31, 2024, the plan covered 22 active firefighters and 8 vested terminated firefighters whose pension benefits are deferred. The plan is established and administered in accordance with Minnesota Statutes, Chapter 353 G.

B. Benefits Provided

The Volunteer Firefighter Plan provides retirement, death, and supplemental benefits to covered firefighters and survivors. Benefits are paid based on the number of years of service multiplied by a benefit level approved by the City of Frazee. Members are eligible for a lump-sum retirement benefit at 50 years of age with either five or ten years of service, depending on the vesting schedule selected. Plan provisions include a pro-rated vesting schedule that increases from 5 years at 40 percent through 20 years at 100 percent.

C. Contributions

The Volunteer Firefighter Plan is funded by fire state aid, investment earnings and, if necessary, employer contributions as specified in Minnesota Statutes, and voluntary City of Frazee contributions. The State of Minnesota contributed \$35,602 in fire state aid to the fund for the year ended December 31, 2024.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

V. Defined Benefit Pension Plan – Firemen’s Relief Association (Continued)

D. Pension Costs

At December 31, 2024, the City reported a net pension liability of \$423,411 for the Volunteer Firefighter Fund. The net pension liability was measured as of December 31, 2024. The total pension liability used to calculate the net pension liability in accordance with GASB 68 was determined by PERA applying an actuarial formula to specific census data certified by the fire department. The following table presents the changes in net pension liability during the year.

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a)-(b)
Balances at January 1, 2024	\$ 450,676	\$ 627,560	\$ (176,884)
Changes from the prior year:			
Service Cost	\$ 27,027	\$ -	\$ 27,027
Interest Cost	24,413	-	24,413
Assumption Changes	(16,699)	-	(16,699)
Nonemployer Contributions	-	35,602	(35,602)
Projected Investment Return	-	33,215	(33,215)
Gain or Loss	(36,606)	37,203	(73,809)
Benefit Payments	(25,400)	(25,400)	-
Total Net Changes	\$ (27,265)	\$ 80,620	\$ (107,885)
Balances at December 31, 2024	\$ 423,411	\$ 708,180	\$ (284,769)

There were no benefit provision changes during the measurement period.

For the year ended December 31, 2024, the City of Frazee recognized pension expense of \$(35,563).

At December 31, 2024, the City of Frazee reported deferred inflows of resources and deferred outflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual liability	\$ -	\$ 43,580
Change of assumptions	-	14,843
Net difference between projected and actual investment earnings	22,668	-
Total	\$ 22,668	\$ 58,423

Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

V. Defined Benefit Pension Plan – Firefighters Relief Association

D. Pension Costs (Continued)

Year Ended December 31:	Pension Expense Amount:
2025	(8,569)
2026	4,210
2027	11,536
2028	(14,990)
2029	(7,551)
Thereafter	(20,391)

E. Actuarial Assumptions and Plan Provisions

Actuarial Assumptions

The total pension liability at December 31, 2024, was determined using the entry age normal actuarial cost method and the following actuarial assumptions:

- Retirement eligibility at the later of age 50 or when fully vested.
- Investment rate of return of 6.50 percent.

F. Discount Rate

The discount rate used to measure the total pension liability was 6.5 percent. The projection of cash flows used to determine the discount rate assumed that contributions to the Volunteer Firefighter Fund will be made at a rate equal to the actuarially determined contribution rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

H. Pension Liability Sensitivity

The following presents the City of Frazee's net pension liability for the Volunteer Firefighter Fund, calculated using the assumed discount rate as well as what the City of Frazee's pension liability would be if it were calculated using a discount rate one percent lower or one percent higher than the current discount rate:

	1% Decrease (5.5%)	Discount Rate (6.5%)	1% Increase (7.5%)
Proportionate share of Net Pension (Asset) Liability	\$ (271,481)	\$ (284,769)	\$ (297,482)

I. Investment Policy

The Minnesota State Board of Investment (SBI) is established by Article XI of the Minnesota Constitution to invest all state funds. Its membership as specified in the Constitution is comprised of the governor (who is designated as chair of the board), state auditor, secretary of state and state attorney general.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

V. Defined Benefit Pension Plan – Firefighters Relief Association

I. Investment Policy (Continued)

All investments undertaken by the SBI are governed by the prudent person rule and other standards codified in Minnesota Statutes, Chapter 11A and Chapter 353G.

Within the requirements defined by state law, the SBI, with assistance of the SBI staff and the Investment Advisory Council, establishes investment policy for all funds under its control. These investments policies are tailored to the particular needs of each fund and specify investment objectives, risk tolerance, asset allocation, investment management structure and specific performance standards. Studies guide the on-going management of the funds and are updated periodically.

J. Asset Allocation

To match the long-term nature of the pension obligations, the SBI maintains a strategic asset allocation for the Volunteer Firefighter Plan that includes allocations to domestic equity, international equity, bonds and cash equivalents. The long-term target asset allocation and long-term expected real rate of return is the following:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Domestic Stocks	35%	5.10%
International Stocks	15%	5.30%
Bonds	45%	0.75%
Unallocated Cash	5%	0.00%

The six percent long-term expected rate of return on pension plan investments was determined using a building-block method. Best estimates for expected future real rates of return (expected returns, net of inflation) were developed for each asset class using both long-term historical returns and long-term capital market expectations from a number of investment management and consulting organizations. The asset class estimates and the target allocations were then combined to produce a geometric, long-term expected real rate of return for the portfolio. Inflation expectations were applied to derive the nominal rate of return for the portfolio.

K. Significant investment policy changes during the year

The SBI made no significant changes to their investment policy during calendar year 2024 for the Volunteer Firefighter Fund.

L. Pension Plan Fiduciary Net Position

Detailed information about the Volunteer Firefighter Fund's fiduciary net position as of June 30, 2024, is available in a separately-issued PERA financial report that includes financial statements and required supplementary information. That report may be obtained at www.mnpera.org.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

VI. Summary of Significant Contingencies and Other Items

A. Claims and Litigation

The City, in connection with the normal conduct of its affairs, may be involved in various claims, judgments, and litigation. The City Council estimates that the potential claims against the City not covered by insurance resulting from such litigation would not materially affect the financial statements of the City.

B. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage, or destruction of assets; errors or omissions; injuries to employees; employee health coverage; or natural disasters. The City has entered into a joint powers agreement with other Minnesota cities to form the League of Minnesota Cities Insurance Trust (LMCIT) to cover workers' compensation and property and casualty liabilities.

There were no significant reductions in insurance from the prior year. The amount of settlements did not exceed insurance coverage for each of the past three fiscal years.

The League of Minnesota Cities Insurance Trust is a public entity risk pool currently operated as a common risk management and insurance program for its members. The City pays an annual premium based on its annual payroll and an experience modification factor for workers' compensation coverage.

C. Joint Venture

Frazee Burlington Silverleaf Joint Powers Board

The Frazee Burlington Silverleaf Joint Powers Board was formed on November 18, 1991 under the authority of the Joint Powers Act, pursuant to Minnesota Statutes, § 471.59, and includes the City of Frazee and the Towns of Burlington and Silverleaf. The purpose of the Board is to create and operate a facility for solid waste composting and recycling.

Control of the Board is vested in the Frazee Burlington Silverleaf Joint Powers Board, which is composed of two governing members from each participating city and town. In the event of dissolution of the Frazee Burlington Silverleaf Joint Powers Board, the net assets at the time shall be distributed to the respective participants in proportion to the contributions made by each.

Funding is provided by participants in amounts determined by the Board on an annual basis. The City made no contributions in 2024. Complete financial information can be obtained from the City of Frazee Administrator/Clerk/Treasurer, City Hall, P.O. Box 387, Frazee, Minnesota 56544.

VII. Component Unit Disclosures

A. Summary of Significant Accounting Policies

The financial statements of the discretely presented component unit is prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (statements and interpretations). The more significant accounting policies established in GAAP and used by the component unit are discussed below.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

VII. Component Unit Disclosures

A. Summary of Significant Accounting Policies (Continued)

1. Financial Reporting Entity

The Economic Development Authority (EDA) was created pursuant to Minnesota Statutes § 469.090 through 469.108 to carry out economic and industrial development and redevelopment within the City in accordance with policies established by the Council. The five-member board consists of two Council members and three other Council-appointed members. The EDA may exercise any of the powers enumerated by the authorizing statute without prior approval of the Council (does not include power to issue bonds).

The Economic Development Authority is an enterprise fund. This entity is a component unit of the City of Frazee because the City is financially accountable for it and it is discretely presented in the City of Frazee's financial statements.

2. Basis of Presentation

The component unit does not issue separately audited component unit financial statements. Additional financial information can be obtained from the City of Frazee Administrator/Clerk/Treasurer, City Hall, P.O. Box 387, Frazee, Minnesota 56544.

The discretely presented component unit is accounted for an enterprise fund, with a set of self-balancing accounts that comprise its assets, liabilities, revenues, and expenses (i.e., the combining statement of net position and the combining statement of revenues, expenses, and changes in net position). Enterprise funds are used to account for (1) operations that provide a service to citizens financed primarily by charging users for that service; and (2) activities where the periodic measurement of net income is considered appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

3. Measurement Focus and Basis of Accounting

The component unit is reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

When both restricted and unrestricted resources are available for use, it is the component unit policy to use restricted resources first, then unrestricted resources as they are needed.

4. Assets, Liabilities, and Net Position

a. Cash and Cash Equivalents

The component unit has defined cash and cash equivalents to include cash on hand and demand deposits.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

VII. Component Unit Disclosures

A. Summary of Significant Accounting Policies

4. Assets, Liabilities, and Net Position (Continued)

b. Deposits and Investments

The cash balances of the funds are invested by the City Administrator/Clerk/Treasurer for the purpose of increasing earnings through investment activities. Pooled and fund investments and are reported at their fair value at December 31, 2024, based on market prices. Investment earnings on cash and pooled investments are allocated to the funds with deposits. Component unit Investment earnings in 2024 were \$189.

c. Capital Assets

Capital assets, which include land, buildings and improvements, improvements other than buildings, and machinery and equipment, are reported in the applicable component unit column in the financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of two years, except land and construction in progress which is capitalized regardless of cost. Capital assets are recorded at historical cost or estimated historical cost when purchased or constructed. Donated capital assets are recorded at acquisition value at the date of acquisition.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extended the life of the asset are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Buildings and improvements, improvements other than buildings, and machinery and equipment are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	30-39
Improvements other than buildings	39
Machinery and equipment	15

d. Long-Term Obligations

Long-term obligations are reported as liabilities in the component unit activities.

e. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent amounts at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

VII. Component Unit Disclosures (Continued)

B. Detailed Notes on All Funds

1. Assets

Deposits and Investments

All cash and investments of the component units are on deposit with the City of Frazee Administrator/Clerk/Treasurer and included within its cash and investments.

Capital Assets

Capital asset activity for the component unit for the year ended December 31, 2024, was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
Capital assets, not being depreciated				
Land - Economic Development Authority	\$ 251,421	\$ -	\$ -	\$ 251,421
Total capital assets, not being depreciated	\$ 251,421	\$ -	\$ -	\$ 251,421
Capital assets being depreciated				
Buildings and improvements				
Economic Development Authority	\$ 1,273,694	\$ -	\$ -	\$ 1,273,694
Less: accumulated depreciation for				
Buildings and improvements				
Economic Development Authority	\$ 68,513	\$ 31,842	\$ -	\$ 100,355
Total capital assets, depreciated, net	\$ 1,205,181	\$ (31,842)	\$ -	\$ 1,173,339
Total Capital Assets, Net	\$ 1,456,602	\$ (31,842)	\$ -	\$ 1,424,760

Depreciation Expense

Depreciation expense of \$31,842 was charged to the Economic Development Authority.

2. Liabilities

Long-Term Debt

City of Frazee Economic Development Authority Temporary General Obligation Tax Increment Bonds, Series 2021A represent debt incurred for construction of the Downtown Infill Project. These bonds have an original issue amount of \$1,518,000. They carry a net interest rate of 3.25 percent and are due in semi-annual interest-only payments of \$24,667, with the full principal amount due on February 1, 2024, from the Economic Development Authority Fund. These bonds were paid in full by the end of 2024.

City of Frazee Economic Development Authority Temporary General Obligation Tax Increment Bonds, Series 2024A represent debt incurred for repayment of the Temporary General Obligation Tax Increment Bonds, Series 2021A, and for construction of the Downtown Infill Project. These bonds have an original issue amount of \$1,566,000. They carry a net interest rate of 6.50 percent

C. Summary of Significant Contingencies and Other Items

Risk Management

The discretely presented component unit is exposed to various risks of loss related to torts; theft of, damage, or destruction of assets; errors or omissions; injuries to employees; or natural disasters. The component unit is covered under the City of Frazee's membership in the League of Minnesota Cities Insurance Trust (LMCIT) to cover workers' compensation and property and casualty liabilities. There were no significant reductions in insurance from the prior year. The amount of settlements did not exceed insurance coverage for the past three fiscal years.

**NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION
AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2024**

II. Budgetary Information

Budget Policy

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America. All annual appropriations lapse at fiscal year-end.

In September of each year, the City Council drafts a preliminary budget after giving interested citizens a reasonable opportunity to be heard. The final budget is approved in December and a certified levy is sent to Becker County. Truth in taxation requires that a final levy may not exceed a preliminary levy.

The appropriated budget is prepared by fund, function, and department. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the departmental level.

II. Excess of Expenditures Over Budget

The following departments had expenditures in excess of budget for the year ended December 31, 2024:

	<u>Expenditures</u>	<u>Budget</u>	<u>Excess</u>
General Fund			
<i>General government</i>			
Elections	\$ 7,035	\$ -	\$ (7,035)
Building inspector	19,272	17,380	(1,892)
Other general government	9,183	-	(9,183)
<i>Public safety</i>			
Police	418,802	409,583	(9,219)
<i>Highways and streets</i>			
Street lighting	22,699	22,350	(349)
<i>Sanitation</i>			
Solid waste	191,661	150,000	(41,661)
<i>Culture and recreation</i>			
Other culture and recreation	5,070	4,500	(570)
<i>Economic Development</i>			
Economic Development Authority	43,033	-	(43,033)
Resource Center	25,400	-	(25,400)
<i>Debt service</i>			
Interest	6,703	-	(6,703)
<i>Capital outlay</i>			
Highways and streets	263,701	10,976	(252,725)
Culture and recreation	165,446	12,000	(153,446)

FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

The information presented in the required supplementary schedules was used in the actuarial valuation for purposes of determining the actuarially determined contribution rates. Changes in actuarial assumptions are described in the Notes to the Financial Statements. The assumptions and methods used for this actuarial valuation were recommended by PERA and adopted by the City Council. The following changes were reflected in the valuation performed on behalf of PERA for the fiscal year June 30:

General Employees Fund

2024 Changes

Changes in Actuarial Assumptions

The following changes in assumptions are effective with the July 1, 2024 valuation, as recommended in the most recent experience study (dated June 29, 2023):

- Rates of merit and seniority were adjusted, resulting in slightly higher rates.
- Assumed rates of retirement were adjusted as follows: increase the rate of assumed unreduced retirements, slight adjustments to Rule of 90 retirement rates, and slight adjustments to early retirement rates for Tier 1 and Tier 2 members.
- Minor increase in assumed withdrawals for males and females.
- Lower rates of disability.
- Continued use of Pub-2010 general mortality table with slight rate adjustments as recommended in the most recent experience study.
- Minor changes to form of payment assumptions for male and female retirees.
- Minor changes to assumptions made with respect to missing participant data.

Changes in Plan Provisions

- The workers' compensation offset for disability benefits was eliminated. The actuarial equivalent factors updated to reflect the changes in assumptions.

2023 Changes

Changes in Actuarial Assumptions

- The investment return assumption and single discount rate were changed from 6.5 percent to 7.00 percent.

Changes in Plan Provisions

- An additional one-time direct state aid contribution of \$170.1 million will be contributed to the Plan on October 1, 2023.
- The vesting period of those hired after June 30, 2010, was changed from five years of allowable service to three years of allowable service.
- The benefit increase delay for early retirements on or after January 1, 2024, was eliminated.
- A one-time, non-compounding benefit increase of 2.5 percent minus the actual 2024 adjustment will be payable in a lump sum for calendar year 2024 by March 31, 2024.

2022 Changes

Changes in Actuarial Assumptions

- The mortality improvement scale was changed from Scale MP-2020 to Scale MP-2021.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

General Employees Fund

2022 Changes (Continued)

Changes in Plan Provisions

- There were no changes in plan provisions since the previous valuation.

2021 Changes

Changes in Actuarial Assumptions

- The investment return and single discount rates were changed from 7.50 percent to 6.50 percent, for financial reporting purposes.
- The mortality improvement scale was changed from Scale MP-2019 to Scale MP-2020.

Changes in Plan Provisions

- There were no changes in plan provisions since the previous valuation.

2020 Changes

Changes in Actuarial Assumptions

- The price inflation assumption was decreased from 2.50% to 2.25%.
- The payroll growth assumption was decreased from 3.25% to 3.00%.
- Assumed salary increase rates were changed as recommended in the June 30, 2019, experience study. The net effect is assumed rates that average 0.25% less than previous rates.
- Assumed rates of retirement were changed as recommended in the June 30, 2019, experience study. The changes result in more unreduced (normal) retirements and slightly fewer Rule of 90 and early retirements.
- Assumed rates of termination were changed as recommended in the June 30, 2019, experience study. The new rates are based on service and are generally lower than the previous for years 2-5 and slightly higher thereafter.
- Assumed rates of disability were changed as recommended in the June 30, 2019, experience study. The change results in fewer predicted disability retirements for males and females.
- The base mortality table for healthy annuitants and employees were changed from the RP-2014 table to the Pub-2010 General Mortality table, with adjustments. The base mortality table for disabled annuitants was changed from the RP-2014 disabled annuitant mortality table to the PUB-2010 General/Teacher disabled annuitant mortality table, with adjustments.
- The mortality improvement scale was changed from Scale MP-2018 to Scale MP-2019.
- The assumed spouse age difference was changed from two years older for females to one year older.
- The assumed number of married male new retirees electing the 100% Joint & Survivor option changed from 35% to 45%. The assumed number of married female new retirees electing the 100% Joint & Survivor option changed from 15% to 30%. The corresponding number of married new retirees electing the Life annuity option was adjusted accordingly.

Changes in Plan Provisions

- Augmentation for current privatized members was reduced to 2.0% for the period July 1, 2020, through December 31, 2023, and 0.0% after. Augmentation was eliminated for privatizations occurring after June 30, 2020.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

General Employees Fund (Continued)

2019 Changes

Changes in Actuarial Assumptions

- The morality projection scale was changed from MP-2017 to MP-2018.

Changes in Plan Provisions

- The employer supplemental contribution was changed prospectively, decreasing from \$31.0 million to \$21.0 million per year. The State's special funding contribution was changed prospectively, requiring \$16.0 million due per year through 2031.

2018 Changes

Changes in Actuarial Assumptions

- The morality projection scale was changed from MP-2015 to MP-2017.
- The assumed benefit increase was changed from 1.00 percent per year through 2044 and 2.50 percent per year thereafter to 1.25 percent per year.

Changes in Plan Provisions

- The augmentation adjustment in early retirement factors is eliminated over a five-year period starting July 1, 2019, resulting in actuarial equivalence after June 30, 2024.
- Interest credited on member contributions decreased from 4.00 percent to 3.00 percent, beginning July 1, 2018.
- Deferred augmentation was changed to 0.00 percent, effective January 1, 2019. Augmentation that has already accrued for deferred members will still apply.
- Contribution stabilizer provisions were repealed.
- Postretirement benefit increases were changed from 1.00 percent per year with a provision to increase to 2.50 percent upon attainment of 90.00 percent funding ratio to 50.00 percent of the Social Security Cost of Living Adjustment, not less than 1.00 percent and not more than 1.50 percent, beginning January 1, 2019.
- For retirements on or after January 1, 2024, the first benefit increase is delayed until the retiree reaches normal retirement age; does not apply to Rule of 90 retirees, disability benefit recipients, or survivors.
- Actuarial equivalent factors were updated to reflect revised mortality and interest assumptions.

2017 Changes

Changes in Actuarial Assumptions

- The combined service annuity (CSA) loads were changed from 0.80 percent for active members and 60.00 percent for vested and non-vested deferred members. The revised CSA load are now 0.00 percent for active member liability, 15.00 percent for vested deferred member liability, and 3.00 percent for non-vested deferred member liability.
- The assumed postretirement benefit increase rate was changed for 1.00 percent per year for all years to 1.00 percent per year through 2044 and 2.50 percent per year thereafter.

Changes in Plan Provisions

- The State's contribution for the Minneapolis Employees Retirement Fund equals \$16,000,000 in 2017 and 2018, and \$6,000,000 thereafter.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

General Employees Fund

2017 Changes

Changes in Plan Provisions (Continued)

- The Employer Supplemental Contribution for the Minneapolis Employees Retirement Fund changed from \$21,000,000 to \$31,000,000 in calendar years 2019 to 2031. The state's contribution changed from \$16,000,000 to \$6,000,000 in calendar years 2019 to 2031.

2016 Changes

Changes in Actuarial Assumptions

- The assumed postretirement benefit increase rate was changed from 1.00 percent per year through 2035 and 2.50 percent per year thereafter to 1.00 percent per year for all years.
- The assumed investment return was changed from 7.90 percent to 7.50 percent. The single discount rate changed from 7.90 percent to 7.50 percent.
- Other assumptions were changed pursuant to the experience study June 30, 2015. The assumed future salary increases, payroll growth, and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

2015 Changes

Changes in Actuarial Assumptions

- The assumed postretirement benefit increase rate was changed from 1.00 percent per year through 2030 and 2.50 percent per year thereafter to 1.00 percent per year through 2035 and 2.50 percent per year thereafter.

Changes in Plan Provisions

On January 1, 2015, the Minneapolis Employees Retirement Fund was merged into the General Employees Fund, which increased the total pension liability by \$1.1 billion and increase the fiduciary plan net position by \$892 million. Upon consolidation, state and employer contributions were revised; the State's contribution of \$6.0 million, which meets the special funding situation definition, was due September 2015.

Police and Fire Fund

2024 Changes

Changes in Plan Provisions

- The State contribution of \$9.0 million per year will continue until the earlier of 1) both the Police & Fire Plan and the State Patrol Retirement Fund attain 90 percent funded statuses for three consecutive years (on an actuarial value of assets basis) or 2) July 1, 2048. The contribution was previously due to expire after attaining a 90 percent funded status for one year.
- The additional \$9.0 million contribution will continue until the Police & Fire Plan is fully funded for a minimum of three consecutive years on an actuarial value of assets basis, or July 1, 2048, whichever is earlier. This contribution was previously due to expire upon attainment of fully funded status on an actuarial value of assets basis for one year (or July 1, 2048 if earlier).

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

Police and Fire Fund (Continued)

2023 Changes

Changes in Actuarial Assumptions:

- The investment return assumption was changed from 6.5 percent to 7.00 percent.
- The single discount rate changed from 5.4 percent to 7.0 percent.

Changes in Plan Provisions:

- Additional one-time direct state aid contribution of 19.4 million will be contributed to the Plan on October 1, 2023.
- Vesting requirement for new hires after June 30, 2014, was changed from a graded 20-year vesting schedule to a graded 10-year vesting schedule, with 50 percent vesting after five years, increasing incrementally to 100 percent after 10 years.
- A one-time, non-compounding benefit increase of 3.0 percent will be payable in a lump sum for calendar year 2024 by March 31, 2024.
- Psychological treatment is required effective July 1, 2023, prior to approval for a duty disability benefit for a psychological condition relating to the member's occupation.
- The total and permanent duty disability benefit was increased, effective July 1, 2023.

2022 Changes

Changes in Actuarial Assumptions

- The mortality improvement scale was changed from Scale MP-2020 to Scale MP-2021.
- The Single discount rate changed from 6.50 percent to 5.40 percent.

Changes in Plan Provisions

- There were no changes in the plan provisions since the previous valuation.

2021 Changes

Changes in Actuarial Assumptions

- The investment return and single discount rates were changed from 7.50 percent to 6.50 percent, for financial reporting purposes.
- The inflation assumption was changed from 2.50 percent to 2.25 percent.
- The payroll growth assumption was changed from 3.25 percent to 3.0 percent.
- The base mortality table for healthy annuitants and employees was changed from the RP-2014 table to the Pub-2010 Public Safety Mortality table. The mortality improvement scale was changed from MP-2019 to MN-2020.
- The base mortality table for disabled annuitants was changed from the RP-2014 healthy annuitant mortality table (with future mortality improvement according to Scale MP-2019) to the Pub-2010 Public Safety disable annuitant mortality table (with future mortality improvement according to Scale MP-2020).
- Assumed rates of salary increase were modified as recommended in the July 14, 2020, experience study. The overall impact is a decrease in gross salary increase rates.
- Assumed rates of retirement were changed as recommended in the July 1, 2020, experience study. The changes result in slightly more unreduced retirements and fewer assumed early retirements.
- Assumed rates of withdrawal were changed from select and ultimate rates to service-based rates. The changes result in more assumed terminations.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

Police and Fire Fund

2021 Changes

Changes in Actuarial Assumptions (Continued)

- Assumed rates of disability were increased for ages 25-44 and decreased for ages over 49. Overall, proposed rates result in more projected disabilities.
- Assumed percent married for active female members changed from 60 percent to 70 percent. Minor changes to form of payment assumptions were applied.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

2020 Changes

Changes in Actuarial Assumptions

- The morality projection scale was changed from MP-2017 to MP-2018.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

2019 Changes

Changes in Actuarial Assumptions

- The morality projection scale was changed from MP-2017 to MP-2018.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

2018 Changes

Changes in Actuarial Assumptions

- The morality projection scale was changed from MP-2016 to MP-2017.

Changes in Plan Provisions

- Postretirement benefit increases were changed to 1.00 percent for all years, with no trigger.
- An end date of July 1, 2048, was added to the existing \$9.0 million state contribution.
- New annual state aid will equal \$4.5 million in fiscal years 2019 and 2020, and \$9.0 million thereafter until the plan reaches 100 percent funding, or July 1, 2048, if earlier.
- Member contributions were changed from 10.80 percent to 11.30 percent of pay, effective January 1, 2019, and 11.80 percent of pay, effective January 1, 2020.
- Employer contributions were changed from 16.20 percent to 16.95 percent of pay, effective January 1, 2019, and 17.70 percent of pay, effective January 1, 2020.
- Interest credited on member contributions decreased from 4.00 percent to 3.00 percent, beginning July 1, 2018.
- Deferred augmentation was changed to 0.00 percent, effective January 1, 2019. Augmentation that has already accrued for deferred members will still apply.
- Actuarial equivalent factors were updated to reflect revised mortality and interest assumptions.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

Police and Fire Fund (Continued)

2017 Changes

Changes in Actuarial Assumptions

- Assumed salary increases were changed as recommended in the June 30, 2016, experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates.
- Assumed rates of retirement were changed, resulting in fewer retirements.
- The combined service annuity (CSA) load was 30.00 percent for vested and non-vested, deferred members. The CSA has been changed to 33.00 percent for vested members and 2.00 percent for non-vested members.
- The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees.
- Assumed termination rates were decreased to 3.00 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall.
- Assumed percentage of married female members was decreased from 65.00 percent to 60.00 percent.
- Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females.
- The assumed percentage of female members electing joint and survivor annuities was increased.
- The assumed postretirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter.
- The single discount rate was changed from 5.60 percent per annum to 7.50 percent per annum.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

2016 Changes

Changes in Actuarial Assumptions

- The assumed postretirement benefit increase rate was changed from 1.00 percent per year through 2037 and 2.50 percent per year thereafter to 1.00 percent per year for all future years.
- The assumed investment return was changed from 7.90 percent to 7.50 percent.
- The single discount rate changed from 7.90 percent to 5.60 percent.
- The assumed future salary increases, payroll growth, and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

III. Notes to Schedule of Changes in Net Pension Liabilities and Related Ratios

Police and Fire Fund (Continued)

2015 Changes

Changes in Actuarial Assumptions

- The assumed postretirement benefit increase rate was changed from 1.00 percent per year through 2030 and 2.50 percent per year thereafter to 1.00 percent per year through 2037 and 2.50 percent per year thereafter.

Changes in Plan Provisions

- The postretirement benefit increase to be paid after the attainment of the 90.00 percent funding threshold was changed from inflation up to 2.50 percent, to a fixed rate of 2.50 percent.

**INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

City Council
City of Frazee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Frazee as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated August 15, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Frazee's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over financial reporting.

A *deficiency* in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any

Page 81

deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control over financial reporting, described in the accompanying Schedule of Findings and Responses as items 2024-001, and 2024-002, that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Frazee's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Minnesota Legal Compliance

The *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minnesota Statute, § 6.65, contains seven categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing. Our audit considered all of the listed categories.

In connection with our audit, we noted that the City of Frazee failed to comply with provisions of the claims and disbursements section of the *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minnesota Statute, § 6.65, insofar as they relate to accounting matters described in the Schedule of Findings and Responses as item 2024-003. Also, in connection with our audit, nothing came to our attention that caused us to believe that the City of Frazee failed to comply with the provisions of the contracting and bidding, conflicts of interest, deposits and investments, public indebtedness, miscellaneous provisions, and tax increment financing sections of the *Minnesota Legal Compliance Audit Guide for Cities*, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

City of Frazee's Response to Findings

The City's responses to the findings identified in our audit have been included in the accompanying Schedule of Findings and Responses. The City's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting, compliance and the provisions of the *Minnesota Legal Compliance Audit Guide for Cities* and the result of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

Hoffman, Philipp, & Martell, PLLC
August 15, 2025

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

**SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED DECEMBER 31, 2024**

**FINDINGS RELATED TO FINANCIAL STATEMENTS AUDITED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

INTERNAL CONTROL

PREVIOUSLY REPORTED ITEMS NOT RESOLVED

Finding Number: 2024-001

Prior Year Finding Number(s): 2023-001

Repeat Finding Since: 2006

Segregation of Duties and Internal Controls

Criteria: The financial statements are the responsibility of the City's management. Internal control over financial reporting is a process designed to provide reliable assurance about the achievement of the City's objectives with regard to reliability of financial reporting and compliance with applicable laws and regulations. These controls must include a process for monitoring controls to ensure effectiveness and efficiency of operations.

Condition: Internal controls over financial reporting and the safeguarding of assets against unauthorized acquisition, use, or disposition include controls related to financial reporting and operational objectives. The City does not have a process for monitoring to ensure the internal controls are effective. Due to the limited number of personnel within the City of Frazee, segregation of the accounting functions necessary to ensure adequate internal control and monitoring is not possible.

Context: The small size and staffing of the City of Frazee limits the segregation of duties and internal control that management can design and implement. Although the City of has some controls despite limited staff, they do not have a documented process for monitoring those controls.

Effect: Without documented internal controls and a process for monitoring internal controls, the City cannot provide assurance about the reliability of financial reporting or the effectiveness and efficiency of operations. Errors or irregularities may occur and not be detected in a timely manner.

Cause: The City has never formalized its policies and procedures for internal controls and monitoring of those controls into a written comprehensive document.

Recommendation: Management should continually be aware of the lack of reliability of internal controls due to limited segregation of duties. We recommend the City of Frazee formalize written documentation of their internal controls and the monitoring process to ensure the reliability of financial reporting and compliance with applicable laws and regulations, and the effectiveness and efficiency of operations.

City Administrator/Clerk/Treasurer Response: *The City Council is aware of the inability to segregate duties due to the lack of resources. The City staff does everything in their power to identify any risks and involve other employees or Council Members if there is potential for conflict. The City Council receives monthly updates on finances, quarterly budget, and actual expenditures, as well as very detailed bill lists monthly. The City is aware of the need for internal control and continues to be diligent in management oversight of financial information.*

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

Finding Number: 2024-002
Prior Year Finding Number: 2023-002
Repeat Finding Since: 2008
Finding Title: Audit Adjustments

Criteria: A good system of internal accounting control includes an adequate system for classification and recording transactions material to financial reporting.

Condition: During our audit, we identified adjustments in several funds. These adjustments resulted in reclassification of amounts originally reported in the City's financial statements.

Context: City officials are aware that audit adjustments are made to revenues and expenditures, and they rely on the independent external auditors to assist in making the necessary adjustments to the financial statements.

Effect: Proposed audit adjustments are reviewed and approved by the appropriate staff and are reflected in the financial statements. Balances are correctly reported as of December 31 each year. However, independent external auditors cannot be considered part of the government's internal control.

Cause: The previous City Administrator/Clerk/Treasurer did not consistently post transactions into the correct funds, and the City does not have an internal control system designed to detect these errors.

Recommendation: We recommend the City establish internal control procedures for analysis and review of receipt and expenditure classifications to ensure these transactions are reported in accordance with GAAP in the City's annual financial statement

City Administrator/Clerk/Treasurer Response: *The City continues to make improvements to their financial reporting system.*

III. MINNESOTA LEGAL COMPLIANCE

PREVIOUSLY REPORTED ITEM NOT RESOLVED

Finding Number: 2024-003
Prior Finding Number: 2023-003
Repeat Finding Since: 2008
Finding Title: Deficit Cash Balances

Criteria: Each fund of the City should maintain a positive cash balance. Minnesota Statute, § 471.75 permits payment of expenditures provided there is money in the fund for that purpose.

Condition: At December 31, 2024, the following funds had deficit cash balances:

Event Center Enterprise Fund	\$ 51,744
Lake Street Debt Service Fund	\$ 7,067
Cemetery Special Revenue Fund	\$ 4,289
Wannagan Park Special Revenue Fund	\$ 944
2016 Improvements and Refunding Debt Service Fund	\$ 197,253
Southeast Area Streets and Utilities Debt Service Fund	\$ 165,518

Context: City officials are confident that collection of deferred special assessments will be adequate to meet future debt service requirements, and in the event of a shortage they will transfer the cash from the General Fund.

**CITY OF FRAZEE
FRAZEE, MINNESOTA**

Effect: Allowing a fund to maintain a deficit cash balance, in effect, constitutes an interest-free loan from other funds of the City and is in noncompliance with Minnesota law. These deficits are reported in the financial statements as amounts due to other funds.

Cause: Special assessments are levied over a period of time to provide for debt service payments, and when taxpayers are delinquent there is not enough cash flow to cover annual debt payments.

Recommendation: We recommend the City eliminate the cash balance deficits by transferring from another fund, or budgeting for the debt payments when determining the annual levy.

City Administrator/Clerk/Treasurer Response: *The City is aware of the deficit in certain accounts. The City has made progress by closing the inactive capital projects funds with deficit balances and will continue to strive for resolution of this issue.*

**CORRECTIVE ACTION PLAN
FOR THE YEAR ENDED DECEMBER 31, 2024**

Finding Number: 2024-001

Finding Title: Segregation of Duties and Internal Controls

Name of Contact Person Responsible for Corrective Action: City Council and management.

Corrective Action Planned: The City of Frazee is aware of the segregation of duties and internal control over financial reporting issue. Due to limited staffing, segregation of duties is not always possible. Management will implement oversight procedures where and whenever possible.

Anticipated Completion Date: December 31, 2025. *The City Council is aware of the inability to segregate duties due to the lack of resources and the need for internal control and they continue to be diligent in management oversight of financial information.*

Finding Number: 2024-002

Finding Title: Audit Adjustments

Name of Contact Person Responsible for Corrective Action: City Council and management.

Corrective Action Planned: The City will establish internal control procedures for analysis and review of receipt and expenditure classifications to ensure these transactions are reported in accordance with GAAP and GAAS in the City's annual financial statement.

Anticipated Completion Date: December 31, 2025.

Finding Number: 2024-003

Finding Title: Deficit Cash Balances

Name of Contact Person Responsible for Corrective Action: City Council and management.

Corrective Action Planned: The City will eliminate the temporary cash balance deficits by transferring from another fund to maintain a positive cash balance in compliance with Minnesota Statute § 471.75.

Anticipated Completion Date: December 31, 2025.

**SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED DECEMBER 31, 2024**

Finding Number: 2023-001

Repeat Finding Since: 2006

Finding Title: Segregation of Duties and Internal Controls

Summary of Condition: Due to the limited number of personnel within the City, segregation of the accounting functions necessary to ensure adequate internal accounting control is not possible.

Summary of Corrective Action: Management is continually aware that segregation of duties is not adequate from an internal control point of view. The City Council continues to implement oversight procedures and monitor those procedures to determine if they are still effective.

Status: Not corrected.

Finding Number: 2023-002

Repeat Finding Since: 2008

Finding Title: Audit Adjustments

Summary of Condition: Each Fund of the City is required to have a self-balancing set of accounts to reflect activity of the fund throughout the year in accordance with GAAP in the City's annual financial statement. During 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, and 2023 audits and adjustments were identified, resulting in reclassification of amounts originally reported in the City's financial statements.

Summary of Corrective Action: Management is aware the City should establish internal control procedures for analysis and review of receipt and expenditure classifications and journal entries to ensure these transactions are reported in accordance with GAAP in the City's annual financial statement.

Status: Not corrected.

Finding Number: 2023-003

Repeat Finding Since: 2008

Finding Title: Deficit Cash Balances

Summary of Condition: Each fund of the City should maintain a positive cash balance. Minnesota Statute § 471.75 permits payment of expenditures provided there is money in the fund for that purpose. Allowing a fund to maintain a deficit cash balance, in effect, constitutes an interest-free loan from other funds of the City and is noncompliance with Minnesota law.

At December 31, 2023, the following funds had deficit cash balances:

Cemetery Special Revenue Fund	\$ 691
Wannagan Park Special Revenue Fund	\$ 62

2016 Improvements and Refunding Debt Service Fund	\$140,568
Spruce Avenue Improvement Debt Service Fund	\$143,276

Summary of Corrective Action: The City eliminated the cash balance deficits by transferring from another fund for reporting purposes, however, four funds had cash balance deficits at December 31, 2023.

Status: Not corrected.

Consent Agenda

MINUTES – AUGUST 27, 2025

1. Call the Meeting to Order
 - a. Meeting called to order by Mayor Mike Sharp at 5:00 pm at the Frazee Event Center
2. Roll Call
 - a. Members Present: Andrew Daggett, Andrea Froeber, Mark Kemper, James Rader, Mike Sharp
 - b. Members Absent: None
 - c. Staff: Amanda Blanchard, Amanda Feldt, Tina Hansmeier, Matt Johnson, Larry Stephenson, Tyler Trieglaff, Adam Walker
 - d. Contracted Services: Chris Thorson – Ulteig Engineering; Patrick Hollister – PartnerSHIP 4 Health; Patrick Bakken – Ramstad, Skoyles & Bakken P.A.
 - e. Guests: Phil Hansen, Bob Williams, Lisa Clarey
3. Pledge of Allegiance
4. Open Forum - None
5. Approve Agenda
 - a. Addition of 9.c. Liquor Store Hiring
 - b. Addition of 9.d. Rezoning Request

M/S/CU: Froeber/Kemper to approve agenda with changes

6. Consent Agenda
 - a. Meeting Minutes – August 13, 2025
 - b. Approval of Claims
 - c. Resolution 0827-2025A – Rescue Donations
 - d. Resolution 0827-2025B – Fire Donations
 - e. Resolution 0827-2025C – Fireworks Donations
 - f. LG220 Application for Exempt Permit – Kaotics Robotics Booster Club

M/S/CU: Rader/Daggett to approve consent agenda as presented

7. Staff Reports
 - a. Fire Department
 - i. Written report reviewed
 - b. Rescue
 - i. Written report reviewed
 - c. Event Center
 - i. No report
 - d. Liquor Store
 - i. Written report reviewed
 - e. Police Department
 - i. Written report reviewed
 - ii. Daggett asked if there is a policy on demolition derby cars; Trieglaff stated that they fall under public nuisance, it is something Planning & Zoning could discuss
 - f. Public Works
 - i. Written report reviewed

WHAT SAFEASSURE WILL DO FOR: THE CITY OF FRAZEE

SERVICE AGREEMENT

October 2025

INTRODUCTION/GENERAL INFORMATION

This agreement is effective on this first day of October, 2025 for The City of Frazee, Frazee, Minnesota, herein referred to as The City of Frazee and SafeAssure 7505 93rd Ave NE, Spicer, Minnesota, herein referred to as SafeAssure.

This proposal includes full service as described throughout this document to departments/employees stated within the schedule.

SafeAssure is a safety and OSHA compliance consulting company established on January 1, 1998, specializing primarily in Municipal, Construction, Manufacturing, and Medical operations.

SafeAssure has an A+ rating with the Better Business Bureau (BBB). A complaint has never been filed against SafeAssure.

SafeAssure currently provides full services to over 130 municipalities in Minnesota, any or all of which may be contacted for reference (a full list will be provided upon request).

Our employees are our largest asset. All SafeAssure on-site client services employees are individually trained through OSHA certification programs and by SafeAssure Education Systems prior to conducting classroom or consultation services. The SafeAssure training management system continually reviews OSHA Regulations/Statutes/Interpretations and confers with OSHA representatives on any new or revised regulations or statutes. Employees are continually evaluated on OSHA subject matter proficiencies.

SafeAssure employs 8 to 10 committed employees (depending on time of year). Although there are other staff, key team members most directly servicing municipalities and your organization will include:

- Chadwick Peterson (President/Owner/Consultant/Instructor) - Overall Operations/Client Services/Quality Control
- Melanie Bauman (Office Manager) - Scheduling/Coordinating/Client Services
- Jonathon Beale (Consultant/Instructor) - Client Services
- Tom Norgel (Consultant/Instructor) - Client Services
- Tom Paull (Consultant/Instructor) - Client Services
- Tom Guntzburger (Consultant/Instructor) - Client Services
- Seth Schueller (Consultant/Instructor) - Client Services
- Cathy Hockert (Consultant/Instructor) - Client Services
- Jim Clemensen (Consultant/Instructor) - Client Services

CONSULTING SERVICES

(See also Training Schedule)

- All written programs/services that are produced by SafeAssure are guaranteed to meet the requirements set forth by MNOSHA/OSHA. SafeAssure will reimburse The City of Frazee should MNOSHA/OSHA assess a fine for a deficient or inadequate written program that was produced by SafeAssure. SafeAssure does not take responsibility for financial loss due to MNOSHA/OSHA fines that are not directly related to improperly written programs.
- SafeAssure will continuously monitor OSHA Standards and modify all safety related programs as needed to ensure updates meet OSHA regulations and statutes. These changes or additions, when made during an agreement year, will be made at no additional cost to the City of Frazee.
- SafeAssure will conduct simulated OSHA audits of facilities (buildings), record deficiencies and make corrective recommendations. Audits will include pictures of noted deficiencies and recommendations. All city owned buildings where city employees work will be inspected upon request and at no additional costs.
- SafeAssure will provide answers to all, and any OSHA questions submitted by department Supervisors (or other persons as allowed by management). Unlimited Consulting.
- In the event of an actual OSHA inspection, a SafeAssure employee will directly assist during the inspection process. SafeAssure will be with you all the way, including a presence at the OSHA closing conference and/or citation contesting hearings when requested.
- SafeAssure will assist you in the event of a serious work-related employee injury or death including OSHA correspondence and negotiations.
- SafeAssure will provide an "ALERT" system that allows SafeAssure to quickly inform clients (through email) of any information that is pertinent to the safety of employees and/or OSHA compliance.
- SafeAssure will provide access to an SDS database specific to the City of Frazee through msdsonline. The SDS database related services provided (amount of SDS and use) will be unlimited.

TRAINING SERVICES

(See also Training Schedule)

- SafeAssure clients may utilize multiple training formats and techniques including but not limited to:
 - On-site training (preferred) with Power Point presentations, workbooks, videos, and topical employee participation games (see schedule).
 - Online ZOOM
 - Online training through video/question-answer as well as client-specific OSHA safety information.
- SafeAssure provides online safety training and complete documentation of individual employee training on most subjects (see schedule) for employees directed by management to do online training (such as during shutdowns, new employees, or employees who missed on-site training).
- All classroom training produced by SafeAssure for The City of Frazee are for the sole and express use of The City of Frazee and its employees and not to be filmed, digitized or shared.
- **Data Practices Act.** All government data collected, created, received, maintained or disseminated for any purpose by the Parties pursuant to this Agreement shall be governed by the provisions of the Minnesota Government Data Practices Act, Minn. Stat. §§ 13.01 et seq. ("the Data Practices Act"). SafeAssure agrees to comply with the Data Practices Act as it applies to any data provided to it by the City or third parties and further agrees to cooperate and assist City staff in complying with any data practices requests arising out of, or related to, information generated or submitted pursuant to the contract.
- All programs, policies, training, and procedures referenced on the following page do not include the cost of hardware such as labels and signs. It will be the responsibility of The City of Frazee to obtain this hardware as required to comply with OSHA standards.
- All time spent consulting, answering questions, and assisting with OSHA inspections both on and off-site are part of the agreement services and are included (see also schedule).
- Any additional classroom subjects/hours separate from the agreement and schedule will be billed and eligible for all "current client" discounts offered by SafeAssure not to exceed \$610 per 2-hour training session. These hours (if any) will only be allowed upon approval of the City of Frazee management representative and SafeAssure.
- Training subject matter will include all subjects listed within the provided annual schedule (see within).

In the interest of Quality Safety Management, it may be recommended that written procedures and documented employee training also be provided for the following Subparts when or if applicable during the agreement year. (Subparts represent multiple standards)

1910 Subparts

Subpart D - Walking - Working Surfaces
Subpart E - Means of Egress
Subpart F - Powered Platforms, Man-lifts, and Vehicle-Mounted Work Platforms
Subpart G - Occupational Health and Environmental Control
Subpart H - Hazardous Materials
Subpart I - Personal Protective Equipment
Subpart J - General Environmental Controls
Subpart K - Medical and First Aid
Subpart L - Fire Protection
Subpart M - Compressed Gas and Compressed Air Equipment
Subpart N - Materials Handling and Storage
Subpart O - Machinery and Machine Guarding
Subpart P - Hand and Portable Powered Tools and Other Hand-Held Equipment.
Subpart Q - Welding, Cutting, and Brazing.
Subpart S - Electrical
Subpart Z - Toxic and Hazardous Substances

1926 Subparts

Subpart C - General Safety and Health Provisions
Subpart D - Occupational Health and Environmental Controls
Subpart E - Personal Protective and Life Saving Equipment
Subpart F - Fire Protection and Prevention
Subpart G - Signs, Signals, and Barricades
Subpart H - Materials Handling, Storage, Use, and Disposal
Subpart I - Tools - Hand and Power
Subpart J - Welding and Cutting
Subpart K - Electrical
Subpart L - Scaffolds
Subpart M - Fall Protection
Subpart N - Cranes, Derricks, Hoists, Elevators, and Conveyors
Subpart O - Motor Vehicles, Mechanized Equipment, and Marine Operations
Subpart P - Excavations
Subpart V - Power Transmission and Distribution
Subpart W - Rollover Protective Structures; Overhead Protection
Subpart X - Stairways and Ladders
Subpart Z - Toxic and Hazardous Substances
Applicable MN OSHA 5205 Rules
Applicable MN OSHA 5207 Rules
Applicable MN OSHA 5206 Rules (Employee Right to Know)

All training on the programs written by SafeAssure Consultants, Inc. will meet or exceed State and/or Federal OSHA requirements.

SAFEASSURE INSURANCE SPECIFICS

COMMERCIAL GENERAL LIABILITY	EACH OCCURANCE	1,000,000
	DAMAGE TO RENTED PREMISIS (EA OCCURANCE)	300,000
	MED EXP (ANY ONE PERSON)	10,000
	PERSONAL & ADV INJURY	1,000,000
	GENERAL AGGREGSTE	2,000,000
	PRODUCTS-COMP/OP AGG	2,000,000
AUTOMOBILE LIABILITY	COMBINED SINGLE UNIT (EA ACCIDENT)	1,000,000
UMBRELLA LIABILITY/EXCESS LIABILITY	EACH OCCURANCE	1,000,000
	AGGREGATE	2,000,000
WORKERS COMPENSATION	EACH ACCIDENT	500,000

	DISEASE-POLICY LIMIT	500,000
PROFESSIONAL LIABILITY		1,000,000

SafeAssure will provide and maintain at all times during the term of this Agreement such insurance coverages as indicated herein naming the City of Frazee as an additional insured. Such policy or policies must apply to the extent of, but not as a limitation upon or in satisfaction of, the indemnity provisions of this agreement.

Service Agreement-Signature Page

SafeAssure agrees to abide by all applicable federal and state laws including, but not limited to, OSHA regulations and local/state/national building codes. Additionally, SafeAssure will practice all reasonable and appropriate safety and loss control practices.

SafeAssure agrees that The City of Frazee will not be held liable for any claims, injuries, or damages of whatever nature due to acts or omissions of SafeAssure. SafeAssure expressly and in perpetuity releases and discharges The City of Frazee and its agents, members, officers, employees, heirs, and assigns from any such claims, injuries, or damages. SafeAssure will also agree to defend, indemnify, and hold harmless The City of Frazee, its agents, members, and heirs from any and all claims, injuries, or damages of whatever nature pursuant to the provisions of this agreement.

SafeAssure is an independent contractor of The City of Frazee, and nothing in this agreement shall be considered to constitute the relationship of an employer/employee.

In consideration of this signed agreement, for the period of **12 months** from October 1, 2025, SafeAssure agrees to provide The City of Frazee with the aforementioned features and services. These features and services include but are not limited to OSHA compliance recommendations and consultations, scheduled classroom-training sessions (see attached 12-month schedule), unlimited online training, an online SDS management program, and the production and maintenance of mandatory OSHA programs. These features and services will be prepared to meet the specific needs of The City of Frazee.

If SafeAssure fails to perform any of the provisions of this agreement or fails to administer the work to endanger the performance of the agreement, such failure may constitute default. Unless the default is excused by the city, the city may, upon written notice to SafeAssure, cancel this agreement in partial or entirety. Either party can terminate the agreement at will upon written notice and refund of monies will be issued based on remaining time/services (prorated).

The following is the agreement fee calculated by aforementioned services and schedule to be paid in full by the agreement start date of October 1, 2025 (or at a later date approved by SafeAssure or due date stated within the produced invoice).

TOTAL COST	\$5,521.99
SDS SERVICES (SDS ON-LINE)	(included)
SMALL ENTITY DISCOUNT (10%)	-\$552.20

TOTAL ANNUAL	\$4,969.79
---------------------	-------------------

IN TESTIMONY WHEREOF, we agree to the day, and year first mentioned above written and, if representing an organization or similar entity, further certify the undersigned are a duly authorized agent of said entity and authorized to sign on behalf of identified entity.

Subject: Fee Proposal – Construction Material Testing Services
Wannigan Park Trail
Frazee, MN

Greetings Nick,

American Engineering Testing (AET) is pleased to submit this proposal and preliminary fee estimate to provide construction material testing services during the Wannigan Park Trail project in Frazee, MN. Our proposal is based on the digital plans and specifications provided by Widseth. In this proposal, we present our understanding of the project, an outline of the scope of services we are to provide, and the fee estimate for our services.

PROJECT INFORMATION

We understand the project, located in Frazee, Minnesota, consists of bituminous trail construction and additional park shelter.

We have not received a copy of the construction schedule and have had to make some assumptions as to the anticipated number of visits, duration of each visit, and the anticipated amount of testing. We believe these assumptions are consistent with current construction practices and the project goals. We will coordinate our services with your project representative to provide an efficient application of our services while meeting the requirements of the project plans and specifications.

SCOPE OF SERVICES

AET's Project Manager, Jake Voigt, will provide supervision and technical oversight of our services. Mr. Voigt is responsible for interacting with your designated project representative to coordinate our field observation and laboratory testing services. Staff assignment will be dependent on the nature of the testing required.

Scope of Work

We understand activities on this project will require general construction material testing as well as special inspection services as defined within the current 2024 MNDOT State Aid Schedule of Materials Control and MNDOT Standards and Specifications. We present below a generalized "scope of services" associated with our involvement on this project.

- Perform sampling and aggradation testing of trail aggregate base.

3940 Minnkota Ave NW | Bemidji, MN 56601
Phone Office: 218-209-2977 | teamAET.com | AA/EEO

This document shall not be reproduced, except in full, without written approval from American Engineering Testing, Inc.

- Perform plastic and compressive strength testing of concrete. Such services may include observation to document completed work conforms to appropriate criteria.
- Perform bituminous plant monitoring, mixture verifications and companion core density testing, assumes two days of paving.

Technical Management & Reports

Our Project Manager reviews the daily field reports generated by our field staff during construction. Items found in non-compliance with the project requirements are brought to the immediate attention of the construction superintendent for correction.

We have assumed that our standard invoicing format issued on a monthly basis with no supporting documentation will be acceptable for this project. If supporting documentation or specialized invoicing is required, additional administrative time may be required to accommodate your request.

ESTIMATED FEES

Our services will be provided on a unit cost basis according to the unit rates provided in the attached AET Fee Estimate tabulation. These rates will remain in effect through the duration of the project. Our monthly invoices will be determined by multiplying the number of personnel hours or tests by their respective unit rates. We have also estimated a total cost we anticipate will be required to complete the previously described observations and testing services. This estimated total cost is based on our experience with similar projects and construction schedule.

We caution that this is only an estimated cost. Often, variations in the overall cost of the services occur due to reasons beyond our control, such as construction change orders, weather delays, changes in the contractor's schedule, unforeseen conditions or retesting of services. These variations will affect the actual invoice totals, either increasing or decreasing our total costs for the project from those estimated in this proposal. If more time or tests are required, additional fees may be needed to complete the project testing services. If less time or tests are needed, a cost savings will be realized. We will not, however, exceed the estimated total cost for the project without first obtaining your authorization.

TERMS AND CONDITIONS

All AET Services are provided subject to the Terms and Conditions set forth in the enclosed Construction Service Agreement—Terms and Conditions, which, upon acceptance of this proposal, are binding upon you as the Client requesting Services, and your successors, assignees, joint venturers, and third-party beneficiaries. Please be advised that additional insured status is granted only upon written acceptance of the proposal.

ACCEPTANCE

AET requests written acceptance of this proposal in the Proposal Acceptance box below, but the following actions shall constitute your acceptance of this proposal together with the Terms and Conditions: 1) issuing an authorizing purchase order for any of the Services described in this proposal, 2) authorizing AET's presence on site, or 3) written or electronic notification for AET to proceed with any of the Services described in this proposal. Please indicate your acceptance of this proposal by signing below and returning a copy to us. When you accept this proposal, you

represent that you are authorized to accept on behalf of the Client.

GENERAL REMARKS

AET appreciates the opportunity to provide this service for you and looks forward to working with you on this project. If you have any questions or need additional information, please contact us.

Sincerely,
American Engineering Testing, Inc.

Jake Voigt, PE

SECTION 1 - RESPONSIBILITIES

1.1 – This Service Agreement – Terms and Conditions ("terms and conditions") is applicable to all services ("Services") provided by American Engineering Testing, Inc. (AET). As used herein "Services" refer to the scope of Services described in the proposal submitted by AET to Client. The proposal, these terms and conditions and any appendices attached hereto shall comprise the agreement ("Agreement") between AET and Client for Services described in the proposal and are binding upon the Client, its successors, assignees, joint ventures and third-party beneficiaries. AET requests written acceptance of the Agreement, but the following actions shall also constitute Client's acceptance of the Agreement: 1) issuing an authorizing purchase order, task order, service order, or any other documentation for any of the Services, 2) authorizing AET's presence on site, or 3) written or electronic notification for AET to proceed with any of the Services. Issuance of a purchase order, task order or service order by Client which contains separate terms and conditions will not take precedence or modify the terms and conditions contained in this Service Agreement. **AND THE TERMS AND CONDITIONS OF THIS SERVICE AGREEMENT AND ANY CORRESPONDING PROPOSAL ISSUED BY AET SHALL GOVERN UNLESS AUTHORIZED IN WRITING IN ADVANCE BY AET.**

1.2 – Prior to AET performing Services, Client will provide AET with all information that may affect the cost, progress, safety and performance of the Services. This includes, but is not limited to, information on proposed and existing construction, all pertinent sections of contracts between Client and their client and/or Owner which contain flow-down provisions to AET, if they are included, site safety plans or other documents which may control or affect AET's Services. If new information becomes available or changes are made during AET's Services, Client will provide such information to AET in a timely manner. Failure of Client to timely notify AET of changes to the project including, but not limited to, location, elevation, loading, or configuration of the structure or improvement will constitute a release of any liability of AET. Client will provide a representative for timely answers to project-related questions by AET.

1.3 – AET observes and tests earthwork and other construction operations and materials, and may provide opinions, conclusions and recommendations regarding the same. However, AET's Services do not relieve the contractors of their contractual responsibility to perform their work in accordance with approved plans, specifications and building code requirements.

1.4 – AET personnel do not have authority to accept, reject, direct or otherwise approve the work of the contractor. AET cannot stop work or waive or alter the requirements of the project documents. Any authority given to AET by Client must be in writing prior to the start of Services.

1.5 – AET does not perform construction management, general contracting or surveying services and our involvement with the project does not constitute any assumption of those responsibilities.

1.6 – Services performed by AET often include sampling at specific locations. Client acknowledges the limitations inherent in sampling. Variations in conditions occur between and beyond sampled/tested locations. The passage of time, natural occurrences and direct or indirect human activities at the site or distant from it may alter the actual conditions. Client assumes all risks associated with such variations.

1.7 – AET is not responsible for interpretations or modifications of AET's recommendations by other persons.

1.8 – Should change in conditions be alleged, Client agrees to notify AET before evidence of alleged change is no longer accessible for evaluation.

1.9 – Test borings and/or cone penetration test soundings to a proper depth below foundation grade and the base of suitable bearing soils are recommended to explore the deeper unseen soil and ground water conditions. Judgments made by AET personnel regarding the suitability of materials and ground water conditions below the bottom of an excavation are limited if sufficiently deep test borings/soundings are not provided by the Client prior to our observations and judgments. AET's opinions, conclusions and recommendations are qualified to that extent.

1.10 – Pricing in the proposal assumes use of these terms and conditions. AET reserves the right to amend pricing if Client requests modifications to the Agreement or use of Client's alternate contract format. Any contract amendments made after Client has authorized the Services shall be applicable only to Services performed after the effective date of such amendment. The proposal and these terms and conditions, including terms of payment, shall apply to all Services performed prior to the effective date of such amendment.

1.11 – The AET proposal accompanying these terms and conditions is valid for thirty (30) days after the proposal issuance date to the Client. Any attempt to authorize Services after the expiration date is subject to AET's right to revise the proposal as necessary.

SECTION 2 – ON CALL SERVICES

2.1 – If AET's Services are performed on an on-call basis at the direction of the Client or its authorized representatives, Client acknowledges the inherent limitations associated with performing engineering judgments and testing Services on an on-call basis, including without limitation, the inability to completely evaluate, document or judge work and conditions not directly observed or tested by AET. AET's opinions, conclusions, and recommendations are qualified to the extent of those limitations.

2.2 – Density tests of fill soils represent conditions only at the locations and elevations tested and do not necessarily represent conditions laterally, above or below. AET can only provide judgments regarding the engineered fill system to adequately support the design construction loadings by monitoring the filling process on a continuous basis for consistency of soil type, moisture content, lift thickness, and compaction effort.

2.3 – AET requires a minimum of 24 hours' notice of the need for Services. AET will not be liable for claims, damages, or delays related to failure of Client to provide adequate advance notice to AET.

SECTION 3 - SITE ACCESS, UNDERGROUND FACILITIES AND CONSTRUCTION STAKING

3.1 – Client will furnish AET safe and legal site access.

3.2 – With the exception of public utilities which AET will contact state "call before you dig" notification centers (e.g. Gopher State One call in Minnesota), Client will mark or cause to be marked the location of all other underground utilities and structures (Facilities) that service or are located on the site. AET shall be entitled to rely upon the accuracy of all location information supplied by any source.

3.3 – Client shall hold harmless, indemnify and defend AET from all claims, damages, losses, fines, penalties and expenses (including attorney's fees) arising out of or related to the following: a) Facilities that are not shown or vary from the locations shown on any plans or drawings, b) Facilities that are not located by or vary from the locations marked by Client, governmental or quasi-governmental locator programs, or private utility locating services, or c) any other Facilities that are not disclosed or vary from locations provided by the Client. The obligation to defend AET shall be independent of the obligation to indemnify and hold harmless AET and shall be with independent counsel acceptable to AET.

3.4 – The location and elevation of a proposed structure or facility shall be staked (with offsets) and controlled by surveying or GPS equipment by others. AET's measurements are made in relation to that information. The reliability of any opinions, conclusions, and recommendations based on those measurements is strictly dependent on the accuracy of the staking or GPS information provided by others.

3.5 - During construction, observations and testing Services are based on the positioning of the formwork by the contractor or its subcontractor. AET will not be responsible for any errors or damages resulting from improper location or positioning of the formwork.

SECTION 4 - SAFETY

4.1 - Client shall inform AET of any known or suspected hazardous materials or unsafe conditions at the site. Client or its authorized representative(s) is responsible for the safety of the jobsite. If, during the course of AET's Services, such materials or conditions are discovered, AET reserves the right to take measures to protect AET personnel and equipment or to immediately terminate Services. Client shall be responsible for payment of such additional protection costs.

4.2 - AET shall only be responsible for safety of AET employees at the site; the safety of all others shall be Client's or other persons' responsibility.

SECTION 5 - SAMPLES

5.1 - Client shall inform AET of any known or suspected hazardous materials prior to submittal to AET. All samples obtained by or submitted to AET remain the property of the Client during and after the Services. Any known or suspected hazardous material samples will be returned to the Client at AET's discretion.

5.2 - Non-hazardous samples will be held for thirty (30) days and then discarded unless, within thirty (30) days of the report date, the Client requests in writing that AET store or ship the samples. Storage and shipping costs shall be borne solely by Client.

SECTION 6 - PROJECT RECORDS

The original project records prepared by AET will remain the property of AET. AET shall retain these original records for a minimum of three years following submission of the report, during which period the project records can be made available to Client at AET's office at reasonable times.

SECTION 7 - STANDARD OF CARE

AET performs its Services consistent with the level of care and skill normally performed by other firms in the profession at the time of this service and in this geographic area, under similar budgetary constraints.

SECTION 8 - INSURANCE

AET maintains insurance with coverage and minimum limits shown below. AET will furnish certificates of insurance to Client upon request.

8.1 -

Workers' Compensation Employer's Liability	Statutory Limits \$100,000 each accident \$500,000 disease policy limit \$100,000 disease each employee
Commercial General Liability	\$1,000,000 each occurrence \$1,000,000 aggregate
Automobile Liability	\$1,000,000 each accident
Professional/Pollution Liability Insurance	\$1,000,000 per claim \$1,000,000 aggregate

8.2 - Commercial General Liability insurance will include coverage for Products/Completed Operations extending one (1) year after completion of AET's Services as outlined in our proposal, Property Damage, Personal Injury, and Contractual Liability coverage applicable to AET's indemnity obligations under this Agreement.

8.3 - Automobile Liability insurance shall include coverage for all owned, hired and non-owned automobiles.

8.4 - Professional/Pollution Liability Insurance is written on a claims-made basis and coverage will be maintained for one (1) year after completion of AET's Services as outlined in our proposal. Renewal policies during this period shall maintain the same retroactive date.

8.5 - To the extent permitted by applicable state law, and upon Client's signing of the proposal, which includes these Terms and Conditions, and return of the same to AET, or Client provided forms of acceptance as defined in Section 1.1; Client and Owner shall be named an "additional insured" on AET's Commercial General Liability Policy (Form CG D4 14, which includes blanket coverage for the Additional Insured on a Primary and Non-Contributory basis). Client and Owner shall also be named an "additional insured" on a Primary and Non-contributory basis on AET's Automobile Liability Policy (Form CA T4 74). Any other endorsement, coverage or policy requirement may result in additional charges.

8.6 - AET will maintain insurance coverage required by this Agreement at its sole expense, provided such insurance is reasonably available, with insurance carriers licensed to do business in the state in which the project is located and having a current A.M. Best rating of no less than A minus (A-). Such insurance shall provide for thirty (30) days prior written notice to Client for notice of cancellation or material limitations for the policy or ten (10) days' notice for non-payment of premium.

8.7 - AET reserves the right to charge Client for AET's costs for additional coverage requirements unknown on the date of the proposal, e.g., coverage limits or policy modification including waiver of subrogation, additional insured endorsements and other project specific requirements.

SECTION 9 - DELAYS

If delays to AET's Services are caused by Client or Owner, other parties, strikes, natural causes, pandemic, weather, or other items beyond AET's control, a reasonable time extension for performance of the Services shall be granted, and AET shall receive an equitable fee adjustment.

SECTION 10 - PAYMENT, INTEREST AND BREACH

10.1 - Invoices are due net thirty (30) days from the date of receipt of an undisputed invoice. Invoices will be paid without reductions for bond or retention. Client will inform AET of invoice questions or disagreements within fifteen (15) days of invoice date; unless so informed, invoices are deemed correct.

10.2 - Invoices remaining unpaid for sixty (60) days shall constitute a material breach of this Agreement, permitting AET, in its sole discretion and without limiting any other legal or equitable remedies for such breach, to terminate performance of this Agreement and be relieved of any associated duties to the Client or other persons. Further, AET may withhold from Client data and reports in AET's possession. If Client fails to cure such breach, all reports associated with the unpaid invoices shall immediately upon demand be returned to AET and Client may neither use nor rely upon such reports or the Services.

10.3 - AET reserves the right to pursue any unpaid invoice utilizing available remedies at law. AET explicitly reserves its Mechanic Lien or Bond Claim rights for nonpayment of an undisputed invoice. Client is responsible for paying AET expenses and attorney fees related to collection of past due invoices.

10.4 - AET reserves the right to charge a 2.5% fee on any payment made using a credit card or debit card.

SECTION 11 - CHANGE ORDERS

AET's proposal associated with this project may provide an estimated cost for the work. If the proposal amount is a time and material estimate, or if changes occur affecting the project scope, estimated quantities, project schedule or other unforeseen conditions, AET will communicate with Client and request a change order. However, nothing in this agreement shall be construed in any way as a waiver of payment by Client to AET for Services authorized under this agreement. Approval of a change order may be in writing, by electronic communication, or any directive for additional Services.

SECTION 12 - MEDIATION

12.1 - Except for enforcement of AET's rights to payment for Services rendered or to assert and/or enforce its lien rights, including without limitation assertion and enforcement of mechanic's lien rights and foreclosure of the same, Client and AET agree that any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to arbitration or the institution of legal or equitable proceedings by either party; provided however that if either party fails to respond to a request for mediation within sixty (60) days, the party requesting mediation may without further notice, proceed to arbitration or the institution of legal or equitable proceedings.

12.2 - Mediation shall be in accordance with the Construction Industry Mediation Rules of the American Arbitration Association. Request for mediation shall be in writing and the parties shall share the mediator's fee and any filing fees equally and each party shall pay their own legal fees. The mediator shall be acceptable to both parties and shall have experience in commercial construction matters.

SECTION 13 - LITIGATION REIMBURSEMENT

Except for matters relating to non-payment of fees, which is governed by Section 10 hereof, payment of attorney's fees and costs associated with lawsuits or arbitration of disputes between AET and Client, which are dismissed or are judged substantially in either party's favor, shall be paid by the non-prevailing party. Applicable costs include, but are not limited to, attorney and expert witness fees, court costs, and other direct costs.

SECTION 14 - MUTUAL INDEMNIFICATION

14.1 - Subject to the limitations contained in Sections 14 and 17, AET agrees to indemnify Client from and against damages and costs to the extent caused by AET's negligent performance of the Services.

14.2 - Client agrees to indemnify AET from and against damages and costs to the extent caused by the intentional acts or negligence of the Client, Owner, Client's contractors and subcontractors or other third parties.

14.3 - If Client has an indemnity agreement with other persons or entities relating to the project for which AET's Services are performed, the Client shall include AET as an Additional Insured.

14.4 - AET's indemnification to the Client, including any indemnity required or implied by law, is limited solely to losses or damages caused by its failure to meet the standard of care and only to the extent of its negligence.

SECTION 15 - NON-SOLICITATION

Each party to this Agreement (a "Party") agrees that it will not encourage, induce, or actively solicit any employee of the other party to leave their employment for any reason, provided that neither Party is precluded from (a) hiring any such employee who has been terminated by a Party or its subsidiaries prior to commencement of employment discussions between a Party and such employee, or (b) soliciting any such employee by means of a general advertisement or through an employment agency that does not specifically pursue the employee, or (c) hiring employees or former employees of the other Party who contact the Party on its own accord. This Non-Solicitation provision shall be effective and enforceable for six (6) months following termination of this Agreement.

SECTION 16- MUTUAL WAIVER OF CONSEQUENTIAL DAMAGES

Except as specifically set forth herein and to the extent permitted by applicable law, Client and AET waive against each other, and each other's officers, directors, members, subcontractor, agents, assigns, successors, partners, and employees any and all claims for or entitlement to special, incidental, indirect, punitive, or consequential damages arising out of, resulting from, or in any way related to the Services provided by AET under this Agreement. This mutual waiver of consequential damages includes, but is not limited to, the following: loss of profits; loss of revenue; rental costs/expenses incurred; loss of income; loss of use of property, equipment, materials or services; loss of opportunity; loss of rent; loss of good will; loss of financing; loss of credit; diminution of value; loss of business and reputation; loss of management or employee productivity or the services of such persons; increased financing costs; cost of substitute facilities; cost of substitute goods/property/equipment; cost of substitute services; and/or cost of capital. This mutual waiver is applicable, without limitation,

to all consequential damages due to either party's termination of this Agreement in accordance with the provisions of the Agreement and related documents and shall survive any such termination.

SECTION 17 - LIMITATION OF LIABILITY

To the fullest extent permitted by applicable law, the total aggregate liability of AET and its officers, directors, partners, employees, subcontractors, agents, and sub-consultants, to Client and/or Client's employees, officers, directors, members, agents, assigns, successors, or partners, or anyone claiming through Client, for any and all injuries, damages, claims, losses, or expenses (including attorney's fees and costs) arising out of, resulting from or in any way related to Services provided by AET from any cause or causes, including, but not limited to, its negligence, professional errors and omissions, strict liability, breach of contract, or breach of warranty shall not exceed the total compensation in excess of costs received by AET for Services or \$50,000, whichever is less. The limitation of liability set forth herein does not apply to claims arising solely out of or related to the willful or intentional acts of AET.

SECTION 18 - POSTING OF NOTICES ON EMPLOYEE RIGHTS

Effective June 21, 2010, prime contracts with a value of \$100,000 or more and signed by federal contractors on projects with any agency of the United States government must comply with 29 CFR Part 471, which requires physical posting of a notice to employees of their rights under Federal labor laws. The required notice may be found at 29 Code of Federal Regulations Part 471, Appendix A to Subpart A. The regulation also has a "flow-down" requirement for subcontractors under the prime agreement for subcontracts with a value of \$10,000 or more. AET requires strict compliance of its subcontractors working on federal contracts subject to this regulation. The regulation has specific requirements for location of posting and language(s) for the poster.

SECTION 19 - TERMINATION

After 7 days' written notice, either party may elect to terminate work for justifiable reasons. In this event, the Client shall pay AET for all Services performed, including demobilization and reporting costs to complete the Services.

SECTION 20 - SEVERABILITY

Any provisions of this Agreement later held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force. However, Client and AET will in good faith attempt to replace an invalid or unenforceable provision with one that is valid and enforceable, and which comes as close as possible to expressing the intent of the original provision.

SECTION 21 - GOVERNING LAW

This Agreement shall be construed in accordance with the Laws of the State of Minnesota without regard to its conflicts of law provisions.

SECTION 22 - ENTIRE AGREEMENT

This Agreement, including these terms and conditions and attached proposal and appendices, is the entire agreement between AET and Client. Regardless of method of acceptance of this Agreement by the Client, this Agreement supersedes any written or oral agreements, including purchase/work orders or other Client agreements submitted to AET after the start of our Services. Any modifications to this Agreement must be mutually acceptable to both parties and accepted in writing. No considerations will be given to revisions to AET's terms and conditions or alternate contract format submitted by the Client as a condition for payment of AET's accrued Services.

Dealer's Disclaimer of Warranty
Unless the vehicle is sold with a separate written dealer warranty or the dealer enters into a service contract with the buyer, the vehicle is sold "AS IS". Dealer expressly disclaims all warranties, either express or implied, including the implied warranties of merchantability and fitness for a particular purpose. The entire risk of the quality and performance of the vehicle is with the buyer.
Important: A manufacturer warranty may apply.

The front and back of this CONTRACT comprise the entire CONTRACT affecting this purchase. The DEALER will not recognize any verbal agreement, or any other agreement or understanding of any nature. You certify that you are 18 years of age or older and acknowledge receiving a copy of this contract.

The terms of this CONTRACT were agreed upon and the CONTRACT signed in the dealership on the date noted at top of this form.

NOTICE OF SALESPERSON'S LIMITED AUTHORITY: This contract is not valid unless signed and accepted by Sales Manager or Officer of Dealership.
