Business - Approval of COVID-19 Preparedness Plan

Anderson stated that the COVID Preparedness plan was created by Perham City Manager Jon Smith and herself. To receive Federal CARES Act aid cities are required to pass a plan prior to June 29, 2020 to be eligible to apply for aid when it becomes available. The general outline issued by the League of Minnesota Cities was followed with the exception of a few issues where Frazee Council had already passed authorization that employees would not be charged 14 days of vacation or sick leave, they would receive regular wages during such a time with penalization of benefits should they contact COVID-19.

A motion by Sharp to approve the City of Frazee's COVID-19 Preparedness Plan was made by Sharp, seconded by Strand. All in favor, motion carried.

With no further business to discuss a motion to adjourn was made by Strand, seconded by Kemper. Meeting adjourned.

Respectfully Submitted
